GET IT NOW. USE IT FOR THE REST OF YOUR LIFE.

Cardmembership isn't just about how you spend your money—it's about how you spend your life. You'll have access to an exclusive collection of benefits and services you won't find anywhere else:

New, bigger airline discounts— for you and a friend.

You'll get five Travel Savings Certificates.* Three for roundtrip Coach class tickets anywhere Continental Airlines or Continental Express flies within the 48 contiguous United States (except Florida between February 12–April 30 and between June 15–August 25, 1995). All you'll pay is \$159 roundtrip for travel on your side of the Mississippi. Or \$239 roundtrip when you fly across the Mississippi.

You'll also save with a special Florida Certificate valid between February 12–April 30 and between

June 15–August 25, 1995. You'll pay just \$239 for roundtrip Coach class travel between Florida and other destinations on the east side of the Mississippi, \$299 between Florida and destinations on the west side of the Mississippi.

You'll get an International Certificate worth \$50 off an international roundtrip Coach class fare of \$400 or more; \$75 off a roundtrip Coach class fare of \$600 or more.

And you can bring along a friend for the same low price you pay when you buy the tickets with the Card.

Free long distance with MCI.

Get up to 30 minutes of free long distance calling with MCI every month for a year—without changing long distance companies. Just use the Card as your calling card and get savings of up to \$44 a year.**

Savings from famous names.

Our Value Certificates help you save on many of the things you want, from J. Crew, Software Etc., the Princeton Review and more. And these aren't one-time-only offers. You'll get new offers every year you renew your Cardmembership while you're in school—and even after you graduate and start your career.

Once you're a Cardmember, you'll see how we can make your life easier. You'll get a level of service you can count on—no matter where you are in the world. And since you pay your bill in full each month you won't pay automatic interest charges.

What's more, getting the Card now is probably easier than it will ever be—because we're relaxing our usual requirements just for students. So apply now. And spend a lifetime enjoying all the great things the Card can offer you. All for just \$55 a year.

*To be eligible, you must apply for the Card by July 31, 1995. For domestic travel, reservations must be made and tickets charged to your Card account within 21 days of travel, maximum stay is 14 days and must include a Saturday night. For international travel, reservations must be made and tickets purchased at least 30 days prior to travel or as required by the fare purchased, whichever is earlier. A minimum 8-day stay is required and must include a Saturday night. Seats at the lowest fares are limited. American Express makes these certificates available solely as a service to its Cardmembers and incurs no liability in connection with their use or non-use. Continental is directly responsible for the fulfillment of this offer and the delivery of travel services. Your Travel Savings Certificates, along with complete terms and conditions, will be sent to you upon credit approval.

**A credit of up to \$3.70 for long distance phone charges will appear on each billing statement for 12 months after enrollment. \$3.70 is equal to the charge for a domestic 30-minute night/weekend MCI Card Compatibility call and appropriate surcharge. Call from any phone, using the American Express Card as your calling card. You must enroll by July 31, 1995. MCI is a registered service mark of MCI Telecommunications Corporation.

Life in the wild can be pretty tough these days. Without the necessary ancient-forest habitat to live in, some species like the northern spotted owl of the Pacific Northwest are severely threatened.

At the Sierra Club, we believe that these owls and the ancient forest ecosystems they depend on need our help. The Sierra Club's work to permanently protect our ancient forests also helps preserve the habitat of the northern spotted owl, giving them the range they need to help their population grow.

To learn more about our work protecting the forest habitats of endangered species such as the northern spotted owl, please write us at:

The University of Illinois

Welcome To U of I DIRECT Registration

Summer session 1995 and fall semester 1995 mark the implementation of U of I DIRECT, the University's new on-line computer registration system.

When you use your Network ID (formerly phalias) and password to access U of I DIRECT from personal computers at multiple locations on

campus (or via dial-up with modem), you will be welcomed to U of I DIRECT registration, followed by a request to verify your local address and the Main Menu of Options. You then select an option by pressing the appropriate key(s) on the keyboard.

A registration checklist and Schedule Planning Form, included in the *Timetable*, will help you develop your schedule before you log onto U of I DIRECT.

You will be assigned an Earliest Registration Time (ERT) based on the number of hours/units completed or in progress, according to campus policy. Through U of I DIRECT you can:

- register and add/drop classes
- update your address and telephone information
- provide information on appointment/graduation status
- request information on vehicle registration, etc.
- obtain a copy of your early registration schedule

Some classes are listed in the *Timetable* as "authorization only." Contact the department for approval before using the U of I DIRECT system to register in one of these classes.

The U of I DIRECT system will control for ERT; class size, academic program, maximum credit, advising hold (if applicable), and encumbrances. If an advising hold has been placed on your record, it must be removed before you can register. You should resolve all encumbrances as soon as possible. If you have an encumbrance on your record, access to U of I DIRECT to register or to drop or add classes will be blocked approximately three weeks prior to the first day of instruction. If you have an encumbrance on your record as of 5:00 PM the first day of instruction, your course registration for the term will be cancelled. You can avoid having your course registration cancelled by resolving encumbrances.

Finally, the U of I DIRECT Assistance Center will be available from 8:30 AM until 4:45 PM, Monday through Friday in B-3 Coble Hall (enter north side of Coble). If you need information or assistance using U of I DIRECT, call 333-6565.

Introduction to the Timetable

The *Timetable* is the listing of course offerings for the term, and includes instructions on when, where, and how to register and drop and add classes; tuition and fees, and billing information; academic calendar information; how to get a replacement ID card; etc. Therefore, please keep it for future reference. Updated information on course offerings is also available by checking timetable course section information on the World Wide Web, from college and departmental advisers, and in postings during the Early Registration Period at the Illini Union information desk, the Undergraduate Library CCSO site, and the Main Library Reference Desk.

While every effort is made to provide accurate and up-to-date information, the University reserves the right to change without notice statements in the *Timetable* concerning rules, policies, procedures, tuition, fees, curricula, courses, or other matters. All course registrations are accepted subject to enrollment conditions set by the offering departments. In addition, colleges and departments reserve the right to:

- impose enrollment requirements and prerequisites,
- reassign students to other sections in a course,
- withdraw students from certain courses or sections after enrollment,
- cancel course offerings or sections for legitimate educational reasons.

Students considering enrollment in military science, naval science, or air force aerospace studies courses should be aware that University policy prohibits discrimination on the basis of sexual orientation; students may enroll in these courses regardless of sexual orientation. As of the date of printing of this publication, students seeking to enroll in ROTC are not asked to disclose their sexual orientation. However, homosexual conduct is grounds for disenrollment from the program.

Student Responsibility

- You are responsible for knowing and adhering to the policies, deadlines, and procedures in the *Timetable*. Careful reading of the various sections of this booklet will help you avoid enrollment problems.
- U of I DIRECT is the UIUC system to register for courses by computer. When you do so, you agree to pay tuition and fees to the University according to the payment policies and schedules adopted by the Board of Trustees. If you wish to cancel your registration, and thus avoid payment of tuition and fees charges, you must do so by 5:00 PM of the first day of instruction.
- Unauthorized use of University of Illinois computer systems, data, or resources; unauthorized use of another individual's identification, account, or password; or an attempt to gain unauthorized access is prohibited by University policy and may constitute a violation of Illinois state law.
- As an enrolled student, you are responsible for knowing and complying with the regulations of the University, your college, and the departments offering the courses you are taking, and for fulfilling the requirements for your particular degree. You may obtain the regulations of your college at the college office.

You are expected to conduct yourself at all times in accordance with accepted principles of responsible citizenship and with due regard for the rights of others.

You are advised to obtain a copy of the *Code on Campus Affairs and Handbook of Policies and Regulations Applying to All Students*. That publication is available for inspection at college and departmental offices and libraries, at the Illini Union Information Desk, the Student Organizational Complex in the Illini Union, in the lobby of the Turner Student Services Building, and at Window 25, 100 Henry Administration Building.

The Office of Publications/Office of Public Affairs at the University of Illinois at Urbana-Champaign contracted for the publication of the *Timetable*.

Registration Procedures

1. Earliest Registration Time - Invitation to Register

All eligible continuing and re-entry students are assigned an Earliest Registration Time (ERT), according to priorities established by campus policy. The ERT is the first time a student can access U of I DIRECT registration for the term. You will be informed of your ERT in your Invitation to Register from the Office of the Registrar, mailed to your local address, approximately two weeks before the start of the Early Registration Period. If you did not receive this mailing, please go to Window 25, 100 Henry Administration Building.

Within each priority grouping, ERT's are assigned in intervals first by the number of hours earned plus the number of hours (if any) in progress. Further assignment, as necessary, is done randomly.

Early registration is not mandatory, but by registering as early as possible, you enhance the possibility of getting the courses and sections you prefer. Thus, you should register as close to your ERT as possible. You can use U of I DIRECT as often as you wish after your ERT to make course adjustments—subject to campus/college policies and deadlines.

2. Eligibility to Register

In general, students currently enrolled in UIUC degree programs can register early for the 1995 fall semester. You may not register early if you are:

- A part-time nondegree student
- A student graduating prior to August 1995, unless you have been admitted to a UIUC graduate, professional, or second baccalaureate degree for fall semester 1995
- A student newly admitted to a UIUC degree program. Information about your initial registration procedures will be included in your Notice of Admission

3. Advising Hold

Academic advising is recommended for all students and is required in most programs. You are encouraged to meet with your adviser to discuss your plan of study before using U of I DIRECT to register. An advising hold may be placed on your record if you are in a college/department in which advising is a mandatory prerequisite to registration. In such cases you must complete an advising session before your college/department will clear you to enroll using U of I DIRECT. For additional information on the advising hold, please contact your college office.

4. Encumbrances

Academic and administrative offices may place encumbrances on your record for academic reasons, funds owed to the University,

judicial reasons and for failure to meet medical/immunization requirements. If you have an encumbrance(s) on your record, resolve it with the appropriate campus office as soon as possible. You will be informed of any encumbrance(s) on your Invitation to Register, your Official Class Schedule and each time you access U of I DIRECT. An encumbrance will not prohibit you from participating in early registration, and you can continue to use the system to make course changes until your Official Class Schedule is mailed to you approximately three weeks prior to the beginning of the term.

After the Official Class Schedule is mailed, however, all encumbered students will be blocked from access to the U of I DIRECT registration sequence. Students will be alerted to the presence of any encumbrance(s) on the Official Class Schedule and directed to the appropriate office(s) to resolve them. Failure to resolve the encumbrance(s) prior to 5:00 PM of the first day of instruction will result in cancellation of your course registration for the term.

5. Enrollment Requirements and Prerequisites

Many courses carry prerequisites and other enrollment requirements such as "consent of instructor," "enrollment limited to majors," "seniors only," "honor students," etc. These requirements are listed with each course and many are computer controlled. You are expected to comply with these prerequisites and enrollment requirements. Failure to do so may result in your being removed from the course. Should you have questions regarding these requirements, please contact the teaching department.

6. "Authorization Only" Courses

Some courses require departmental authorization prior to registration. If you are interested in an "authorization only" course listed in the *Timetable* you should consult the teaching department prior to your Earliest Registration Time. If you meet the enrollment requirements for the course, the department will authorize you on-line to enroll in the course. You, in turn, must register for the course using U of I DIRECT.

7. Maximum/Minimum Enrollment Levels

The maximum amount of credit in which a student can enroll without special overload approval from his/her college office is:

Fall and Spring Terms

Undergraduates	18 hours
Graduate, Vet Med, Medicine	5 units (20 hours)
Law	16 hours

Summer Session 1

Undergraduates	4 hours
Graduate, Vet Med, Medicine	1 1/2 units (6 hours)
Law	6 hours

Summer Session 2

Undergraduates	9 hours
Graduate, Vet Med, Medicine	3 units (12 hours)
Law	6 hours

Should you wish to enroll above the established maximum, consult your college office.

U of I DIRECT will display a warning message if you are not enrolled in a full course load for the term. Enrollment below the minimum may jeopardize your financial aid status, progress toward a degree, or your visa status if you are an international student. Full-time enrollment for undergraduate students is 12 or more hours, for graduate students, 3 or more units.

8. Credit-No Credit

The credit-no credit grading option is designed to encourage students to explore areas of academic interest that they might otherwise avoid for fear of poor grades. All students considering this option are cautioned that many graduate and professional schools consider applicants whose transcripts bear a significant number of nongrade symbols less favorably than applicants whose transcripts contain none or very few. Likewise, in computing a preadmission grade-point average, some schools may convert the NC symbol to a failing grade because they do not know whether the actual grade was a D or E.

Credit-no credit courses are not counted toward the grade-point average, but are included as part of the total credit hours and are assessed as credit hours.

Instructors are not informed of those students in their classes who are taking work under the credit-no credit option, and they report the usual letter grades at the end of the course. These grades are automatically converted to CR or NC. Grades of C or better are required to earn credit.

The credit-no credit option is not available on U of I DIRECT. Should you wish to elect this option, please consult your college office.

9. Policy on Intercollege Transfer

An intercollege transfer applicant is one who is currently registered in an undergraduate college at UIUC and who wishes to be considered for admission to another undergraduate college at UIUC. Intercollege transfer applicants are considered on the basis

of the intercollege admission requirements of the new college and availability of space in the chosen programs. This policy does not apply to the Graduate College or a professional college.

The campus has designated two periods each term for intercollege transfer. They are:

- Two weeks prior to the beginning of the Early Registration Period for each term. Curriculum changes will not be allowed after early registration begins.
- One week prior to the start of instruction for the term and through the first week of instruction.

If you intend to apply for intercollege transfer, you should do so within these designated time frames. Your access to certain courses is dependent upon your college of enrollment.

10. Student Health Insurance

The University's Board of Trustees requires that all students be covered by a health insurance plan, either the University's Student Health Insurance Plan or a plan determined by the University to be an equivalent plan. Requests for exemption from the health insurance fee, purchase of dependent coverage, etc., are limited to specific time periods at the beginning of each semester. See Student Health Insurance Plan section in the Timetable for deadline dates and instructions.

How to Use the World Wide Web Timetable

The *Timetable* is also on the campus network (UIUCnet), via a service called the "World Wide Web" (WWW).

The WWW version allows convenient browsing of the *Timetable* with the following advantages:

- **Timeliness:** It is updated every night from U of I DIRECT data.
- **Cross-referenced information:** Every course is linked to more complete course descriptions found in the on-line *Courses* catalog.
- **Helpful information:** Supplemental information is available, e.g., links to a campus map showing class location.
- You can search it via an easy-to-use index.

The **WWW Timetable** can be viewed on the network by using a browser program on a PC, Mac, or Unix system. Some common browsers are NCSA Mosaic, Netscape, or Lynx. If you are familiar with using a WWW browser (i.e., if this computer jargon hasn't bewildered you), you may view the *Timetable* using the following URL (the "address" of the *Timetable* on the WWW):

http://www.uiuc.edu/admin_manual/Courses/time.top.html

A document explaining in greater detail how to view the **WWW Timetable** may be obtained at most CCSO locations, including computer sites across campus and the CCSO Resource Center (1420 DCL, 244-1258). Ask for "Using the WWW Timetable on the Campus Network." Consultants in the Resource Center can also help you learn about WWW browsers.

The **WWW** browsers are available on all CCSO site computers, so you may view the **WWW Timetable** at any CCSO site.

U of I DIRECT Network ID and Password

To access U of I DIRECT, you will use your Network ID (formerly phalias) and password. All UIUC students are assigned a Network ID and password when they are admitted to the University. Earlier, continuing students received a letter from the Computing and Communications Services Office (CCSO), mailed to your local address, reminding you of your Network ID and password. If you did not receive this mailing, please contact CCSO Account Services (1420 DCL, 333-6760). You are encouraged to change your password periodically to maintain the security of your Network ID.

As with any computerized system, security of the data is a primary concern. In order to maintain the security of your student records and class schedule, it is imperative that you protect your Network ID and password. NEVER tell anyone your password. NEVER let someone use your Network ID and password. The importance of your password is much like that of a bank card PIN — ALWAYS protect the privacy and security of your password.

You may change your password using a computer at any CCSO site. Staff at these locations can assist you. A document entitled, "Changing Your Network ID and password" is also available at these sites. It describes the procedure you use to change your password. Additionally, if you forget your password, you may go to one of the following three sites to have it reset so you can resume using your Network ID.

- English Building—Rm 8, English Building
- Undergrad Library—Northeast corner, upper level
- CCSO Resource Center—1420 DCL

These sites will provide this password reset service from 8:30 AM to 5:00 PM, Monday through Friday, from Feb. 15, 1995, to April 26, 1995.

Throughout the year, staff at the CCSO Resource Center and the Office of Computing and Communications for the Social Sciences (212 Lincoln Hall) can assist students, faculty, and staff in resetting their password. This service is available from 8:30 AM to noon and 1:00 PM to 5:00 PM, Monday through Friday.

If you have questions or concerns about your Network ID and password, contact the CCSO Resource Center (1420 DCL, 244-1258).

☒ U OF I DIRECT Registration Checklist

☒ Have Your U OF I DIRECT Registration Materials

To register for courses using U OF I DIRECT you need:

- Your Network ID (formerly ph-alias) and password
- Your Earliest Registration Time (ERT) from your Invitation to Register
- A copy of the *Timetable* of course offerings for the term
- U OF I DIRECT Schedule Planning Form (located in the back of the *Timetable*)

☒ Meet with Your Adviser to Plan Your Program of Courses (and Alternative Course Selections) for the Term

- Before your Earliest Registration Time (ERT), meet with your adviser to discuss your program of study for the term.
- Discuss with your adviser alternative course selections in case your first choice offerings are full/unavailable to you.
- Complete the Schedule Planning Form as a guide.

☒ Prepare for Enrollment Restrictions that May Be Placed by Departments

- **Courses with Prerequisites:**
Many courses have prerequisites. The prerequisites are intended to help you succeed in the course. You are expected to comply with them. You may be removed from a course for failure to comply with the prerequisites.
- **Courses with Restrictions:**
Some courses have restrictions which limit registration to students meeting certain criteria, e.g., college, curricula, year in school, honors, or placement test scores. Many restrictions are computer controlled. You may be removed from a course if you do not meet the course criteria. Consult the department offering the course if exceptions to these restrictions are required.
- **Independent Study Courses:**
Individual study courses require the instructor's permission before registering. If you select an independent study course, obtain permission from the instructor **PRIOR TO** registering via U OF I DIRECT.
- **Consent Instructor/Authorization Required:**
If you plan to select courses requiring consent of instructor or departmental approval, contact the department offering the course to obtain permission **PRIOR TO** registering via U OF I DIRECT. **Approval to register in AUTHORIZATION ONLY courses is entered into the U OF I DIRECT system on-line by the department offering the course. You, in turn, must register for the course using U OF I DIRECT.**

☒ Clear Advising Hold and Encumbrances

- If you have an advising hold and/or an encumbrance(s) on your record, that information will appear on your Invitation to Register and on the U OF I DIRECT system.
- The advising hold must be cleared on-line by your college or department before you can register using U OF I DIRECT.
- An encumbrance should be resolved as soon as possible, but will not block your access to U OF I DIRECT registration until after your Official Class Schedule has been mailed to you, approximately three weeks prior to the first day of instruction for the term. If you have an encumbrance on your record as of 5:00 PM on the first day of instruction, your course registration for the term will be cancelled.

☒ Use a Computer on Campus (or via Modem) to Register

- With the foregoing steps completed, use your Schedule Planning Form (located in the back of the *Timetable*) as a guide to register in courses via U OF I DIRECT. There are multiple points of access to U OF I DIRECT conveniently located on campus. Many of these locations are listed in the *Timetable*. Dial-up access via modem is also available.

☒ Register for a Complete Schedule

- You are advised to register for a complete schedule of courses for the term as soon as possible following your Earliest Registration Time (ERT).
- Although additional seats may become available in a few courses, and additional sections may be added to some courses prior to the start of the term, you should not delay completing your schedule on the assumption that seats will eventually become available in courses which have closed.
- Your best choice of course offerings will be as close as possible to your ERT. Seize that opportunity.
- Complete a workable course schedule early, even if every course is not your first choice.

Part-Time, Late, and Visitor Registration

Part-Time Nondegree Registration

If you are a part-time nondegree student, you may register between Tuesday, Aug 29 and (noon) Friday, Sept 8. To register, follow the instructions for late registration. Part-time nondegree students who register on these dates will not be charged the late registration fine.

Late Registration

- Conducted via U of I DIRECT from Friday, Aug 25 until 5:00 PM Friday, Sept 8. To complete late registration during this time period follow the prior instructions in the *Timetable* beginning at "U of I DIRECT Registration Checklist."
- Beginning Sept 11, after you have met with your advisor and secured any required course approvals and clearances, bring your completed Schedule Planning Form to Window 25, 100 Henry Administration Building to complete registration.

There is a Penalty for Registering Late. You will be assessed a late registration fine of \$15 (amount subject to change) unless you are registering as a visitor.

Registration of Visitors

A visitor is only a listener in a class and may not participate in any class activities. Visitors are not permitted in laboratory, military, kinesiology (other than theory), or studio classes. Students on "dropped" status are not eligible to attend classes as visitors.

To register as a visitor, written approval is required on an official Visitor's Permit available either at Window 25, 100 Henry Administration Building, or at your college office. After obtaining the form, proceed according to one of the following conditions:

- If you are a currently enrolled student: Obtain permission from the instructor of the class and the approval of the dean of your college.
- If you are a former student not currently registered: Obtain the approval from the instructor of the class and the dean of the college in which you were last registered.
- If you have not been previously registered at the University: Obtain the approval from the instructor of the class and the dean of the college in which the course is offered.
- If you are a staff employee of the University: In addition to obtaining other required approvals, you must secure the recommendation of the head of the department or unit in which you work.

After obtaining all required approvals on the Visitor's Permit form, bring the form to Window 25, 100 Henry Administration Building, to complete registration.

A Registration Service Center will be open in the Illini Union South Lounge, on the following dates:

Registration Charges, Payments, and Refunds

Waivers and Exemptions

If you receive a waiver, you are assessed the amount of the charge but the amount is waived by University policy. Because you were assessed the charge, you are eligible to receive the benefits of the service provided by that charge.

If you are exempt from a particular charge, that charge is not assessed and therefore you are not eligible to receive the benefits of the services provided by the charge. If you have an exemption from any charge because you are registered in Credit Ranges III or IV, you may obtain the benefits of the service provided by making individual arrangements. (see "Fees and How They Are Determined.")

Tuition and fee waivers are not granted for the Executive MBA or other full-cost programs. Detailed information on tuition and fee waivers and exemptions is presented at the back of this *Timetable*.

If you believe that you qualify for any of these waivers or exemptions, consult the staff at Window 25, 100 Henry Administration Building.

Tuition and Fee Assessments

Tuition rates are determined by the University Board of Trustees. Assessment is based on your college and curriculum of enrollment, class, your residency classification, and your credit range.

College of Enrollment

Your tuition rate is based in part on whether you are an undergraduate, graduate, or professional student. All students enrolled in engineering, chemical and life sciences, and art, music, and architecture, and the master's of business administration, curriculum are assessed a tuition surcharge.

Because the Professional Veterinary Medicine Program requires a full course of study each term, students in that curriculum are assessed a single tuition rate for each of the four years of the program.

Students enrolled in the nursing and medical sciences programs on the Urbana-Champaign campus are assessed tuition at Chicago campus rates. Fees are assessed at UIUC campus rates.

Information about tuition rates for students in flight training, study-abroad, Executive MBA, and other special-cost programs may be obtained at Window 25, 100 Henry Administration Building, or by calling (217) 333-0210.

Residence Classification

Another factor in determining your tuition rate is your residence classification (resident or nonresident of Illinois as defined and determined according to regulations approved by the University Board of Trustees). Your classification is based on information you provide on your admission application and other credentials.

To request a change in your residency classification, obtain a petition at either the Registration Service Center (Illini Union, South Lounge) or Window 25, 100 Henry Administration Building. You must submit the petition within twenty days of either the first day of instruction or the day you register, whichever is later. If you fail to submit a petition within the allotted time period, you lose all rights to a change in status and adjustment of your assessed tuition for the term. Telephone (217) 333-0210 for additional information.

SEAL Fee: Refundable; assessed students registered on campus to supplement existing financial aid for needy students.

SORF: Refundable; supports the Student Legal Service and assists in funding programs and/or services of registered student organizations.

SGA Fee: Supports the activities of the Student Government Association.

The charge will cover all three fees which may not be purchased separately.

Tuition and Fees Billings and Payments

Important Dates

Sept 8, Noon	Payment deadline if registered by Sept 1
Sept 11, 4:00 PM	Payment deadline if registered between Sept 5 and Sept 8
Sept 11 and thereafter	Payment deadline is 4:00 PM on day of registration

Billings and payments for all registration charges, plus charges for University-operated housing, occur after classes begin. Billing is done on a Registration Statement of Charges and Aid which itemizes all registration charges, financial aid administered by the University, financial aid from external agencies (ISSC, VA, etc.), and any cash aid for which you are eligible. The statement also contains the date by which either full payment or the first payment on the installment plan (if approved) must be made. The availability of statements and the payment deadline dates are determined by when you register.

If you clear all encumbrances, and have classes on your record by the end of the first day of instruction (Aug 24), your Registration Statement of Charges and Aid will be mailed to your local address around (Aug 28). Payment will be due by noon, Sept 8. If your statement does not arrive by Sept 1, go to the Registration Service Center and request a duplicate. IT IS YOUR RESPONSIBILITY AND OBLIGATION TO OBTAIN A STATEMENT AND TO PAY YOUR REGISTRATION CHARGES BY THE DUE DATE WHETHER OR NOT YOU RECEIVED A STATEMENT AT YOUR LOCAL ADDRESS. You may make payment either by U.S. mail, in registration drop boxes, or in person at a cashier's window in 100 Henry Administration Building.

If you late register between Aug 25 and Sept 1, you must pick up your statement at the Registration Service Center in the Illini Union beginning Tues, Sept 5. Payment will be due at noon, Friday, Sept 8. You may make payment either by U.S. mail, in registration drop boxes, or in person at 100 Henry Administration Building.

If you register between Tues, Sept 5, and noon, Friday, Sept 8, you must pick up your statement in Rm 124, Henry Administration Building on Monday, Sept 11, and make payment at a cashier's window in 100 Henry Administration Building by 4:00 PM on that same day.

If you register Monday, Sept 11, or any day thereafter, you must make payment by 4:00 PM on the day of registration at a cashier's window in 100 Henry Administration Building.

Payment Instructions

- Use the special registration drop boxes to return your payment. Do not use campus mailboxes.
- Allow five days for delivery if you remit by U.S. mail.
- Do not send cash either through the mail or via the drop boxes.
- If you must pay in cash pay at a cashier's window in 100 Henry Administration Building.
- **Where Can I Make Payment?** If your payment deadline is noon, Friday, Sept 8, you may use either U.S. mail or registration drop boxes (not campus mail boxes) to return your statement along with a check or money order in the correct amount. If you must pay in cash, go to a cashier's window in 100 Henry Administration Building.

Special registration drop boxes for payment of registration charges will be available until noon, Friday, Sept 8, at the following locations:

- Florida Avenue Residence Halls (Trelease Hall)
- Gregory Drive Snack Bar (south entrance)
- Henry Administration Building (east and west entrances)
- Main Library (central corridor)
- Illini Union (southwest entrance)

- **Can I Pay by Installment?** An installment plan for paying tuition and fees and single-student residence hall charges is available to students enrolled on campus. This privilege is not extended to registration in extramural, correspondence, and summer Term 1 courses, or to students to whom the privilege has been denied.

Charges for the semester are collected in three installments; the first payable by the due date shown on the original statement, and the remaining installments payable in October and November.

A one-time finance charge of 1 percent of the total amount deferred, or \$2 (amount subject to change), whichever is greater, is made against accounts being paid under the installment plan. An installment payment of charges becomes delinquent on the first day of the month following the date payment was due. Students with delinquent accounts exceeding the dollar limitation may be denied charging privileges.

If you either pay your registration charges on the installment plan or make no payment at all and then later either withdraw from the University or reduce your registration to a lower credit range after the established refund deadline date for the semester, you are liable for the full amount of tuition and fees assessed.

- **What If I Don't Make Payment by the Due Date?** The due date for payment either in full or by installment is printed on your statement. If you do not make full or first-installment payment by the scheduled due date shown on the statement, you will be assessed a \$25 (amount subject to change) registration late payment charge that will be billed to your student account.

A delinquent service charge of 1.5 percent or \$2 (amount subject to change), whichever is greater, is added per month to delinquent student accounts. At any point in the semester, a student who has a delinquent account exceeding the dollar limitation may be denied charging privileges. The delinquent service charge is applied to all items charged to the student account and for which payment is delinquent.

If you are in debt to the University at the end of any term, you may not be permitted to register in the University again. You are not entitled to receive either a diploma or an official transcript of your credits until you have either paid the indebtedness or made suitable arrangements for payment, unless you either have a bankruptcy petition that seeks a discharge of all such indebtedness or all such indebtedness has been discharged.

- **Special Warnings about Payments.** A penalty of \$15 (amount subject to change) is assessed for each check you present to the University that is returned to the Office of Student Accounts and Cashiering because of insufficient funds or for other reasons. Check cashing privileges may be suspended when more than one check is returned to the University. In most cases, the person who endorses a two-party check is the one liable for any penalties charged if that check is returned.

Additional penalties, INCLUDING DISMISSAL FROM THE UNIVERSITY, may be imposed on students who permit their University accounts to become delinquent or who issue checks that are returned to the University unpaid.

Student Health Insurance Plan

The University provides and administers a health insurance plan which is mandatory for those students who have not provided proof of other equivalent health insurance coverage. The fee for the plan is assessed along with other tuition and fees; coverage worldwide and extends, including breaks, from the first day of the semester or summer session to the first day of the following semester or summer session. The insurance plan is independent of McKinley Health Service and benefits are not contingent upon McKinley Health Service referrals. Benefits are detailed in the Student Health Insurance Plan booklet which is available at the Student Insurance Office at 807 S. Wright, Suite 480, Champaign IL 61820; (217) 333-0165. To obtain a partial refund of fall semester registration charges, you must deposit a completed withdrawal clearance form at the Registration Services Office, Window 25, 100 Henry Administration Building, no later than 4:00 PM, Friday, November 3, 1995. No refund is available thereafter. In cases of extenuating circumstances, such as medically documented illness or injury, an exception to the refund period may be made by the director of admissions and records, acting on a petition submitted by a student. Petition forms are available at Window 25, 100 Henry Administration Building.

If you officially withdraw within the refund period, you will receive a pro-rata refund based upon the date on the withdrawal clearance form.

Clearance form received by 4:00 PM on:	Percent of assessed tuition and refundable fees refunded
August 24, 1995	100 percent
September 8, 1995	90 percent
September 15, 1995	80 percent
September 27, 1995	70 percent
October 13, 1995	60 percent
October 20, 1995	50 percent
November 3, 1995	40 percent

Assessed tuition, the Service Fee, the General Fee, and the Transportation Fee are refunded on a pro-rata basis less 5 percent of the assessed amount or one hundred dollars (\$100), whichever is less. The Health Insurance and Health Services Fees are nonrefundable.

If you withdraw, you continue to be covered by health insurance and are eligible to receive health services (if you paid these fees) until the first day of instruction for the next term. Before a refund is made to you, the University must make a refund to appropriate financial aid programs providing assistance to you. If you are indebted to the University at the time of withdrawal, you will have the amount owed deducted from the amount of any refund available.

If you are permitted to pay tuition and fees on the installment plan, or if you make no payment at all, and then withdraw from the University, you are liable for the full amount of tuition and fees originally assessed less applicable refunds.

Special refund policies apply to those who withdraw to enter either active duty in the armed forces or other approved national defense service.

General Information

Student Records Policy

It is University policy to comply fully with the Family Educational Rights and Privacy Act of 1974 as amended. The University will not disclose information that it maintains as part of its normal course of business without the consent of the student. For complete information concerning record release and student access rights, refer to Rules 60 through 68 in the August 1994 *Code on Campus Affairs and Handbook of Policies and Regulations Applying to All Students*.

The University has designated certain categories of information as directory information. Students' consent to release this information is implied. A currently enrolled student may instruct the University to withhold one or both categories of directory information by submitting a request form to the Office of Admissions and Records prior to the end of the fifth day of instruction for a term. Forms may be obtained and filed at Window 25, 100 Henry Administration Building.

Personal Information

- The student's name
- Addresses
- Telephone numbers
- Date of birth
- Weight and height, if an athletic team member

Academic Information

- The student's name
- College
- Curriculum and major field of study
- Class level
- Dates of attendance
- Full- or part-time status
- Institutions previously attended
- Degrees, honors, and certificates received or anticipated
- Eligibility for membership in registered University honoraries
- Participation in officially recognized activities and sports

If a student has elected to withhold either personal or academic information, the University will respond to inquiries as follows: "The student has instructed us not to reveal this information."

If a student has elected to withhold both categories of directory information, the University will respond to inquiries as follow: "There is no information available for any student by that name."

Addresses Are Important

Have you moved recently or since you were last enrolled? Be sure to keep the Office of Admissions and Records informed of your current address and telephone number. That way you will not miss receiving important registration, college, and related information.

Each student is responsible for maintaining in the Office of Admissions and Records the following current addresses:

- local address (for mailings sent during the term)
- permanent address (for mailings sent between terms)
- emergency address

You may update your address and telephone information on-line via U of I DIRECT.

Identification Cards

Each student is issued a permanent photo identification card which must be retained by the student while registered at the University. The ID card remains the property of the University, and any student who alters or intentionally mutilates a University ID card, who uses the ID of another, or who allows his or her ID card to be used by another may be subject to discipline. A charge of \$20 (amount subject to change) is assessed for replacing each lost, mutilated, confiscated, or stolen photo ID card.

You are required to present your ID card for identification purposes at the request of an agent of the University when the agent is acting in the performance of his or her supervisory or security function (e.g., examination proctor, police officer, residence hall director or adviser, gymnasium supervisor, ticket taker, or usher). You may be subject to discipline if you refuse to provide your University ID card when requested by an agent of the University.

When performing his or her duties, an agent of the University may confiscate your ID card if an individual other than yourself attempts to use the card to represent him/herself as a duly registered student, or if the ID card you present is not valid at the time you attempt to represent yourself as a duly registered student.

You have the option to use your ID card as a University charge card, so it is important that you keep it secure. If you cannot find your ID card, go to the Campus ID Center immediately and complete a **Lost/Stolen Property Report**. Until then, you may be liable for unauthorized use of your ID card. That liability is limited to \$50.00 and ends once you have completed the report.

Questions regarding the issuance of ID cards may be directed to the Campus ID Center, Room 204, Illini Union Bookstore, 809 South Wright Street, or call 244-0135.

Students with Disabilities

Students with disabilities who have not registered for services with the Division of Rehabilitation Education Services, 1207 S. Oak Street and who wish to request accommodations for any or all of the classes in which they are registering, should contact the Coordinator for Student Services with the Division at 333-4602 (voice) or 333-1970 (TTD).

Compliance with State Immunization Law

Each admitted applicant entering the University after July 1, 1989, is subject to the requirements of Illinois Public Act 85-1315, which requires students to provide evidence of immunity to certain vaccine-preventable diseases. All students subject to the provisions of this law have received a copy of the McKinley Health Center Student Health Report form with their Notice of Admission. Students who fail to return the form by the date shown are encumbered for the next term. Students who fail to comply with state law before the start of the next term are prohibited by law from enrolling in that or any subsequent term.

Semester Hour Requirements

Undergraduate students are required to pursue a normal program of study, which varies by college and curriculum. More or less than a normal program may be permitted only by authority of the dean of the college or his/her designated representative.

For undergraduate, graduate, and professional students, the minimum program required in a semester for receipt of maximum educational benefit payments under the Veterans Readjustment Benefits Act of 1966 and receipt of social security benefits as a dependent is 12 semester hours or 3 units.

Classification of Students

The Registrar's Office uses only the following definitions in the classification of enrollment:

Full-time Students:	Undergraduates	Graduate Students
Fall and Spring Semesters	12 or more hours	3 or more units
Half-time Students:		
Fall and Spring Semesters	6 to 11.5 hours	1.5 to 2.75 units
Class Level:		
Freshmen	0 to 29.9 hours	
Sophomores	30 to 59.9 hours	
Juniors	60 to 89.9 hours	
Seniors	90 hours and above	

Graduate students are certified as advancing one year of study if they were registered in two semesters. Graduate students on a consecutive summer-session-only pattern are advanced one year after completion of three eight-week summer sessions. A graduate student may not be certified as having advanced one year more than once within a twelve-month period.

Transcripts of Courses and Grades

A student in debt to the University is not entitled to receive a diploma or an official statement or transcript of credits until the indebtedness has been paid or suitable arrangements for payment have been made, unless the student has pending a bankruptcy petition seeking a discharge of all such indebtedness, or such indebtedness has been discharged.

A student who graduates or withdraws from the University and has an outstanding loan from the University of Illinois will not be issued a transcript until he/she has completed an exit interview with the Office of Student Accounts and Cashiering, 162 Henry Administration Building.

The charge for an official transcript is \$5 per copy (amount subject to change). The charge for a written certification of enrollment or other data is \$4 per copy. The charge for additional copies ordered at the same time and sent to the same address or picked up is \$2 per copy.

Transcripts may not be ordered by telephone. They must be ordered on the computers, 100 Henry Administration Building, or by mail addressed to the Transcript Department, University of Illinois at Urbana-Champaign, 10 Henry Administration Building, 506 South Wright Street, Urbana, IL 61801. A check or money order made payable to University of Illinois must accompany the order.

Nondiscrimination Statement

The commitment of the University to the most fundamental principles of academic freedom, equality of opportunity, and human dignity requires that decisions involving students and employees be based on individual merit and be free from invidious discrimination in all its forms.

It is the policy of the University of Illinois not to engage in discrimination or harassment against any person because of race, color, religion, sex, national origin, ancestry, age, marital status, disability, sexual orientation, unfavorable discharge from the military, or status as a disabled veteran or a veteran of the Vietnam era and to comply with all federal and state nondiscrimination, equal opportunity, and affirmative action laws, orders, and regulations. This nondiscrimination policy applies to admissions, employment, and access to and treatment in University programs and activities. Complaints of invidious discrimination prohibited by University policy are to be resolved within existing University procedures.

For additional information on the equal opportunity, affirmative action, and harassment policies of the University, or information on Title IX, ADA, or 504, please contact: For the Urbana-Champaign campus: interim associate chancellor William Trent, Third Floor East, Swanlund Administration Building, (MC-304), 601 East John Street, Champaign, IL 61820, (217) 333-4238; or interim director Larine Cowan, First Floor West, Swanlund Administration Building (MC-304), 601 East John Street, Champaign, Illinois 61820; (217) 333-0885.

First-Year Discovery Courses

In the First-Year Discovery Program, entry-level undergraduates can choose from a variety of small, faculty-taught courses that provide an opportunity to interact with faculty and other students from the start. Discovery sections are offered in many formats and disciplines, but all have in common the goal of helping first-year students in the transition to the intellectual community of the campus. All discovery sections are small, with enrollments limited to twenty students or fewer; all are faculty-taught and interactive.

Below you will find an incomplete list of discovery sections to be offered in fall, 1995. These courses are also listed in the body of the *Timetable*, where you can find the complete information needed to register for the courses, including the call numbers as well as the lecture/lab/discussion section times and locations, and any enrollment restrictions. Descriptions of the courses and the faculty who will teach them can be found in the *Discovery Booklet* distributed to incoming students during summer orientation and advance enrollment.

The Discovery Program gives priority registration to first-year students. Sophomores and juniors may be allowed to register for some of the courses on a space-available basis after August 1.

For a complete list of Discovery Courses, see the separate *Discovery Booklet*, available May 1995.

Courses Listings

The following *Timetable* of courses offered by the University is subject to whatever changes may prove necessary at registration time. Notices of all changes in time or place of meeting of classes will be supplied to advisers for checking program request materials during registration.

Arrangement

The arrangement of subjects in this *Timetable* is alphabetical. The courses offered in each subject are listed numerically with headings to indicate the students for whom they are designed. Courses for undergraduates (designed for freshmen and sophomores) are numbered 100 to 199; for advanced undergraduates (designed for juniors and seniors), 200 to 299; for advanced undergraduates and graduates (junior, senior, or graduate standing required), 300 to 399; for graduates, 400 and above. Following the title of each course is a statement of the requirements, if any, for admission to the course.

Class Periods

Class periods for each course are indicated by numerals for the hours of the day and by letters for the days of the week. For example, 8-10 MTWTh+ indicates that class periods begin at 8:00 AM and continue for approximately two hours on Monday, Tuesday, Wednesday, and Thursday; 11 - 1230 TT+ means that class periods begin at 11:00 AM and continue for ninety minutes on Tuesday and Thursday. Any class beginning after 6:00 PM is indicated by the letters PM. For example, - 730-930PM+ indicates that the class period begins at 7:30 PM and continues until approximately 9:30 PM.

Class Locations

The place of meeting of each class is shown by the number of the room and the name of the building. A listing of the building abbreviations may be found in this *Timetable*.

Credit

Credit for undergraduate students is counted in semester hours. A semester hour is one class period a week for one semester or the equivalent in laboratory work, fieldwork, or approved independent study. The number of hours for which each course counts is shown under the course.

Credit for graduate students is counted in units. A 1-unit course requires ten hours each week throughout a semester, irrespective of the distribution of that time in class work, laboratory work or fieldwork, and private study. Four such courses or their equivalent constitute a student's normal program for one semester. The unit value of each graduate course is indicated under the course. No course may be taken for graduate credit unless it is so designated in this *Timetable* or its supplement. In general, 1 graduate unit is the equivalent of 4 semester hours of undergraduate credit.

Some courses have variable credit, such as 3 to 5 hours or ½ to 2 units; in registering for a course with variable credit, each student indicates the number of hours or units for which he or she intends to take the course on the Program Request Form.

A course may not be taken for zero credit unless such credit is specifically authorized in the *Timetable*.

Approval of the Graduate College must be obtained for the registration of undergraduate students in 400-level courses for semester hour or unit credit. Courses are current as of February 15, 1995.

Pending Sections

Pending sections are sections shown in the *Timetable*, but not yet open for students to register in. They are identified by the letters "PEND" in the space where the call number normally appears.

Departments may open pending sections later, if they have the staff to teach them and enough students enrolled. Once a pending section is opened, its call number appears both as an alternate selection on the registration screen, and in the timetable listed in the World Wide Web.

You cannot enroll in a pending section until it is opened by the department. If you have questions about the possibility of a pending section being opened, please contact the department offering the course.

4:00 PM or later 4:00 PM or later	Monday Tuesday	7:00-10:00 PM, Wednesday, Dec 13 7:00-10:00 PM, Saturday, Dec 16

The final examination for a course is scheduled according to the full or half hour on Monday or Tuesday on which the class first meets regularly during the semester. For example, if a course meets regularly at 10:00 AM on MWF, the examination must be given from 8:00 to 11:00 AM on Saturday, December 16. The final examination for a course meeting regularly on TuTh from 2:30 to 4:00 PM must be given from 1:30 to 4:30 PM on Monday, December 11.

In a course having a combination of lecture and discussion and/or laboratory periods, the first lecture hour of the week is considered the first contact of the week for purposes of determining examination time. Call 333-1231 with questions concerning this.

For a course not provided for in the examination schedule (i.e., one that meets for the first time on Wednesday or later), an examination is to be given within the established examination schedule at the discretion of the instructor and at a time to avoid conflicts. A conflict examination must be given if necessary. The instructor must call the departmental office to schedule the room for the examination.

Any College of Education course at the 300- or 400-level that meets once a week must have a final examination on the same day and at the same time that the class regularly meets. The Office of Facility Planning and Management will make room assignments for such courses.

Fall Semester 1995 Noncombined Final Examination Schedule

DECEMBER 11 THROUGH DECEMBER 16, 1995¹

This schedule does not apply to courses in the Colleges of Law and Veterinary Medicine, which publish separate schedules.

A combined-sections final examination schedule (for giving examinations to several sections of a course at the same time) appears late in the semester in the *Daily Illini*. Detailed information governing final examinations is contained in *Instructions for Giving Final Examinations*, issued in November by the Office of

Admissions and Records and available for inspection at all departmental offices and libraries.

Illinois law requires the University to reasonably accommodate its students' religious beliefs, observances, and practices in regard to admissions, class attendance, and the scheduling of examinations and work requirements. All regulations governing final examination will be applied in the context that an individual student's religious beliefs, observances, and practices will be reasonably accommodated if the student informs his or her instructor of the conflict with one week after being informed of the final examination schedule. Any student may appeal in writing an instructor's adverse decision to a request based on religious beliefs, observances, and practice such appeal must be made to the dean of the student's college or to the director or dean of the student's school or institute (if such school or institute is organized as a separate unit). Before taking action, the dean or director should request that the instructor explain his or her denial in writing.

¹An examination for a first-half-session course should be scheduled at the end of the first-half-session period. If such an examination is not scheduled in the regular classroom at the time the class usually meets, a special examination room must be reserved through the Office of Facility Planning and Management, 333-1231.

Requirement

A final examination must be given during the scheduled final examination period for each course except in a course that has a character that renders a final examination unnecessary or impracticable. The head or chairperson of the academic department in which the course is offered determines when a final examination is not required.

Time of Examination

An instructor must give a final examination at the time specified in the published schedule unless a change is approved in advance through the Office of the Vice-Chancellor for Academic Affairs. A request for change must be submitted through the executive officer of the department or school (if applicable) in which the course is offered and the dean of the appropriate college. Requests for examination changes should be made only in cases of legitimate need and not just for the convenience of students and instructors.

A request for change in the examination schedule will not be considered for approval unless the instructor

- has polled the class to determine that an alternative date is desired by a majority of the class members, and
- also offers the examination at the regularly scheduled time if some choose not to take it at the alternate time, and
- has contacted the Office of Facility Planning and Management (333-1231) and has assurance that space is available in which to give the examination at an alternate time if approved. The Office of Facility Planning and Management will not confirm space availability for early examinations until the twelfth week of the semester.

No semester final examination should be given during a "regular" class period unless this is deemed necessary by virtue of the course or the examination (e.g., a laboratory "practical" examination as one part of a final examination).

NOTE:

Undergraduate Students: Except as provided for a request based on religious beliefs, observances, and practices, only the dean of a student's college may approve temporary postponement of the final examination in an individual case of an undergraduate student.

Graduate Students: A student's instructor is authorized to approve a request for postponement of the final examination in an individual case of a graduate student.

Place of Examination

An examination will be held in the room where the course meets for the first lecture contact hour of the week, except in the case of a combined-sections examination, an examination for a course in which the instructor has requested additional space for the final examination, or a specifically scheduled examination. Instructors are to announce any special or changed room assignments.

Take-Home Examination

If a take-home final examination is assigned, it is to be submitted by the student at the time and date of the regularly scheduled final examination. An instructor who wishes to depart from this practice, must follow the procedure for changing the final examination schedule as stated elsewhere in this section.

Length of Examination

The maximum limit for an undergraduate final examination shall be three hours, except by special arrangement in individual cases approved by the dean of the appropriate college. At the discretion of the department, a shorter examination may be given.

Conflicts

- Certain professional examinations (e.g., national actuarial, state CPA, and the Architect Registration Examination) take priority over campus final examinations. An instructor must offer a "conflict" examination to a student scheduled to take one of these examinations and a campus final examination at the same time.
- Noncombined examinations have precedence over combined-sections and conflict examinations.
- Combined-sections examinations have precedence over conflict examinations.
- As between courses offered at the same time on the combined-sections final examination schedule, a priority system has been established, with courses in Group (1) having precedence over those in Group (2), and so forth. Conflicts within groups must be resolved by the departments involved.
- A conflict not resolved by the above order of preference must be resolved by the instructor of the course having the larger enrollment offering a makeup examination, provided he or she is informed of the conflict by the student no later than the last official day of instruction in the semester (December 8).
- Departments offering combined-sections examinations must provide conflict examinations if needed.

A detailed combined-sections and conflict final examination schedule, including all regulations governing conflicts, will be published by the Office of Admissions and Records late in the semester.

Students Having More than Two Consecutive Final Examinations

No student is required to take more than two consecutive semester final examinations. This means that if you take final examinations at 8:00 AM and 1:30 PM on the same day, you cannot be required to take another final examination that same day; however, you are required to take an examination scheduled for 8:00 AM the following day.

Similarly, if you have a final examination at 7:00 PM one day and another at 8:00 AM the next day, you cannot be required to take an examination at 1:30 PM that second day; you can, however, be required to take an examination at 7:00 PM of that second day.

If you have more than two consecutive final examinations scheduled, you are entitled to rescheduling, provided you take the following actions *no later than the last official day of instruction in the semester (December 8)*:

- You must investigate whether a conflict examination is being held at another time for any of the examinations involved. (Instructional staff members are urged to announce any conflict final examinations by the last day of classes.)
- If a conflict examination has been scheduled for any of the courses, you must take one or more of these conflict examinations.
- If no conflict examinations have been scheduled, you should contact the instructor of the course having the largest number of students. That instructor **MUST** provide a makeup examination. Remember, you must initiate contact with the instructor involved no later than the last day of classes.

Discipline for Violations of Academic Integrity

Procedures to be followed in cases of alleged cheating on final examinations may be found in the *Code on Campus Affairs and Handbook of Policies and Regulations Applying to All Students*.

Tuition and Fee Waivers and Exemptions

If you believe that you qualify for any of these waivers or exemptions, consult the staff at the Registration Services Office, Window 25, 100 Henry Administration Building.

For the purpose of this section, the four employment categories at this campus are defined as follows:

Faculty members include (1) those in the professorial ranks (i.e., professor, associate professor, assistant professor); (2) instructors and lecturers; and (3) teaching, research, and clinical associates. Various prefixes may be used in conjunction with these ranks, such as adjunct, clinical, visiting, or research.

Academic professionals are those employees whose positions have been designated by the president and the chancellor as meeting specialized administrative, professional, or technical needs. Academic professional employees receive an academic contract issued by the Board of Trustees for a term appointment. They are accorded the rights and privileges pertaining to other academic personnel except those that apply specifically to academic employees with faculty rank, such as eligibility for tenure.

Graduate student assistants include teaching, research, and clinical assistants.

Staff employees are those members of the University work force subject to the rules of the State Universities Civil Service System.

Tuition Waivers

Tuition will be waived if you are:

1. a faculty or academic professional employee (not a graduate assistant) of the University on appointment for at least 25 percent of full-time service, provided your appointment requires service for not less than three-fourths of a term. This waiver also applies if you are an employee of a certain specifically identified related agency whose position is considered equivalent to an academic position of the University. (A *term* is defined as running from the first day of instruction through the last day of final examinations. *Three-fourths of a term* is defined as ninety-one days during a semester and forty one days during summer term 2.) **NOTE:** A student who resigns an appointment, or whose appointment is canceled before service is rendered for at least three-fourths of the term, becomes subject to the full amount of the appropriate tuition and fees for that term unless the student withdraws from University classes at the same time or before the appointment becomes void, or the student clears for graduation within one week following the resignation.
2. a graduate teaching or research assistant of the University on appointment for at least 25 percent but not more than 67 percent of full-time service. Your appointment must require service for not less than three-fourths of the term as defined above. If you are on appointment for 68 percent or more of full-time service, you pay tuition at the resident rate and are eligible for waiver of the service fee only. (*Caution: Assistantship appointments are cumulative: for example, if you hold a 25-percent and a 50-percent assistantship appointment, you are ineligible for a tuition waiver.*) **NOTE:** A student who resigns an appointment, or whose appointment is canceled before service is rendered for at least three-fourths of the term, becomes subject to the full amount of the appropriate tuition and fees for that term unless the student withdraws from University classes at the same time or before the appointment becomes void, or the student files a clearance form for graduation within one week following the resignation date.
3. a staff employee of the University, or of another institution or agency under the University Civil Service System, or of a certain specifically identified related agency in status appointment or in an appointment designed to qualify for status in an established class (e.g., trainee or intern) for at least 50 percent of full-time service, or a retiree and who registers in regular University courses not to exceed 11 credit hours or two courses in a semester or quarter if on full-time appointment, or 5 credit hours if on a 50-percent to 99-percent time appointment provided that you (1) meet conditions and eligibility for admission as prescribed by the Office of Admissions and Records; (2) are not a student as defined under 250.70f3 in the *Civil Service Handbook*; and (3) have the approval of your employing department for enrollment and a makeup schedule to cover any time in course attendance during your regular work schedule. (Staff employees whose total registration is in a higher range than that authorized by their tuition waiver pay only the difference between the waiver authorization and the higher range in which their total registration places them.) **NOTE:** A student who resigns an appointment, or whose appointment is canceled before service is rendered for at least three-fourths of the term, becomes subject to the full amount of

the appropriate tuition and fees for that term unless the student withdraws from University classes at the same time or before the appointment becomes void, or the student files a clearance form for graduation within one week following the resignation date.

4. a University of Illinois faculty, academic professional, or staff retiree.
5. a holder of a tuition waiver scholarship.
6. a holder of a graduate tuition and fee waiver awarded by the Graduate College.
7. a foreign exchange student with a tuition waiver as part of the exchange contract
8. a holder of a grant or contract from an outside sponsor that provides payments to cover the total cost of instruction.
9. a cooperating teacher or administrator who receives assignment of practice teachers, or who receives assignment of students meeting the clinical experience requirement in teaching education curricula, or who cooperates in research projects related to teacher education. Waiver for one semester, quarter, or summer session is granted for each semester, quarter, or equivalent of service you render within two consecutive semesters. The waiver shall apply to the semester, quarter, or summer session of registration, as designated by you, that is concurrent with, or following, the term of service, but must be applied no later than one calendar year from the end of the term of service. Concurrent registration on more than one campus of the University or in University extramural courses constitutes one semester, quarter, or session of eligibility for a waiver.

A similar waiver is authorized for cooperating librarians, school-nurse teachers, social welfare field supervisors, recreation field supervisors, health education field supervisors, speech pathology supervisors, developmental child care field supervisors, educational psychology supervisors, continuing education supervisors, industrial relations field supervisors, and physicians who participate without salary in the instructional program of the University of Illinois College of Medicine at Urbana-Champaign. (*Caution: Acceptance of more than one assignment from any of the above listed offices during any single term will generate only one waiver.*)

10. an Illinois Teacher of the Year award recipient.
11. a CIC Visiting Scholar.
12. a University of Illinois at Chicago student in concurrent enrollment.
13. an eligible Illinois senior citizen. (Persons wanting information and/or the application form for this waiver should contact the Office of Student Financial Aid, 400 Turner Student Services Building, 610 East John Street, Champaign, IL 61820, (217) 333-0100.)

Partial Tuition Waiver Program for Children of Eligible Employees

If certain eligibility criteria are met, Illinois Public Act 87-0793 (SB 1353) provides a 50 percent tuition waiver for undergraduate education for children of University employees to attend either University campus. Rules applicable to these waivers are summarized as follows.

1. The waiver can be used only for undergraduate education (excluding extramural and correspondence courses).
2. The waiver shall cover 50 percent of tuition, not fees.
3. The waiver may be used for four years (including summers), as long as satisfactory academic progress toward graduation is maintained.
4. The parent must be a current University of Illinois employee at 50 percent time or more with at least seven years of service on the first day of instruction of the term for which the waiver is requested, and be one whose appointment qualifies for employer-provided benefits. Excluded as "parent" are annuitants, employees of University-related organizations (i.e., Foundation and Alumni Association), Civil Service temporary and extra help, graduate and undergraduate assistants, and academic hourly and student employees.
5. The child must be under 25 years of age at the beginning of the academic year and the child of the eligible employee by blood or adoption, or the child of the employee's current spouse, or a child under the court-appointed guardianship of the eligible employee.
6. The child must qualify for admission under the same requirements, standards, and policies applicable to general applications.
7. To apply for the waiver, the employee or child must obtain an eligibility form available at one of the following offices:

Office of Student Financial Aid, 400 Turner Student Services Building, 610 East John Street, Champaign

Benefits Center, 807 South Wright Street, Fourth Floor, Champaign

Personnel Services Office, 52 East Gregory Drive, Champaign

4. the spouse or dependent child of an employee on appointment with the University or a certain specifically identified related agency for at least 25 percent of full-time service, or of a person described in the second item above. (A dependent child is one who qualifies as a dependent for federal income tax purposes.)
5. the spouse or dependent child of a fellow or a trainee who is employed as a teaching assistant to the fullest extent permitted by the fellowship appointments.
6. a person actively serving in one of the armed forces of the United States who is stationed and present in the state of Illinois in connection with that service and your spouse and any dependent children, as long as you remain stationed, present, and living in this state.

HERE'S HOW YOUR CLUB WORKS.

Start with our 6-1-2 Formula to introduce you to the Club...and to your savings!

CHOOSE THE MUSIC YOU LOVE.

- Pick 6 FREE CDs (or cassettes) right now from the many great choices in this ad.
- Buy just 1 selection at the regular Club price (currently \$14.98 to \$15.98 for CDs; \$8.98 to \$9.98 for cassettes) within a year.
- Then choose 2 more FREE. That's 9 for the price of 1 (plus shipping and handling for each selection) with nothing more to buy, ever!

LISTEN WITH NO RISK. You may take 10 days to listen to your introductory selections and look over the accompanying terms of Club membership.

• If you're not completely satisfied, simply return your selections at our expense - with no further obligation.

SHOP FROM THE COMFORT OF HOME. Discover how convenient it is to shop with BMG Music Service.

• You'll get our exclusive Club Catalog about every three weeks (19 shopping opportunities a year), filled with hundreds of choices in a variety of music categories, plus music news, artist interviews and recommendations from our experts.

• So easy! Every issue offers a Featured Selection in your preferred music category. If you want the Featured Selection, don't do a thing—you'll receive it automatically.

• Your choice! If you want other hits from the Catalog - or none at all - just return the Notification Card provided by the specified date. You'll have at least 10 days to decide.

• No pressure! If you should have fewer than 10 days to reply and receive an unwanted Featured Selection, simply return it at our expense.

SAVE AGAIN AND AGAIN. From day one, for every selection you buy at the regular Club price, you may choose another of equal or lesser value at 50% off. But that's not all.

• The longer you remain a BMG Music Service member, the more you save - up to 50%, 60%, even 70% - with our special sales and discounts.

We're sure you'll enjoy your exclusive Club benefits. But if you ever want to cancel, just write and tell us. It's your choice anytime - after you buy your one regular-Club-price selection. Why wait? Join BMG Music Service now and start saving.

We encourage you to understand some important information about the Citibank Classic card.

Annual Percentage Rates	Currently (February 1, 1995): 17.90% for purchases, 19.8% for cash advances.
Variable Rate Information for Purchases	The annual percentage rate for purchases may vary each calendar quarter. We will calculate the variable rate by adding 9.4% to the rate disclosed as the U.S. Prime Rate reported in <i>The Wall Street Journal</i> on the third Tuesday of March, June, September and December of each year. Because the annual percentage rate is variable, the current rate may not be in effect when your card is issued. The rate will not be lower than 12.9% or higher than 19.8%. However, if a cardmember fails to keep all his/her Citibank accounts in good standing, the rate will increase to 19.8% on the full purchase balance.
Annual Fee	None
Grace Period for Repayment of Balance on Purchases	20-25 days
Minimum Finance Charge	50¢
Method of Computing the Balance for Purchases	Average Daily Balance (including new purchases)
Transaction Fee for Cash Advances	At a financial institution or by check, 2% of amount of advance but not less than \$2 or more than \$10. At an Automated Teller Machine, \$1.75.
Late Payment Fee	\$15
Over-the-Credit-Limit Fee	\$10

By signing this application, I authorize Citibank (South Dakota) N.A. It's One Of The Most Useful Credit Cards On The Planet. *Unless You've Stolen It.*

Your MasterCard® is stolen. You panic, get angry,

panic some more. Then you call and cancel it. Now the thief is in possession of, oh, about seven cents worth of stolen plastic.

(Maybe he can use it as a coaster when he entertains at the hideout.) So relax. You only have to pay for stuff *you* bought, and you can even get a new card the next day.*

It'll be accepted at millions of places, one of which must sell wallets.

MasterCard. It's more than a credit card. It's smart money.™

**To be eligible, you must apply for the Optima Card by July 31, 1996, and meet credit approval. For the domestic fare travel certificates, reservations must be made within 21 days of travel; maximum stay is 14 days and must include a Saturday night. Seats at these fares are limited. American Express makes these certificates available solely as a service to its Cardmembers and incurs no liability in connection with their use or non-use. Continental is directly responsible for the fulfillment of this offer and the delivery of travel services. Certificates valid through October 31, 1996, except for the Spring/Summer Certificates which are valid through August 23, 1996. Your Travel Savings Certificates, along with complete terms and conditions, will be sent to you upon credit approval.

CITIBANK

It's not too late to get a Citibank student loan.

During the 30 years we've been in the student loan business, students have often found that they need extra money to pay for tuition, books, and other expenses. If this sounds familiar, there's still time to get the money you need from Citibank, with these important benefits:

- No payments while you are in school
- Low interest rates
- Loans for students of all incomes
- Low monthly installments
- No penalty for early repayment
- You don't have to be a current Citibank customer to qualify!

You can count on Citibank, the nation's number one student loan lender in the Federal Family Education Loan (FFEL) Program, to provide you with the best financial aid products and services. Whether you're an undergrad or a graduate student, Citibank has a student loan to meet your needs:

The subsidized Federal Stafford Loan helps full- or half-time undergraduate and graduate students (who demonstrate financial need) pay for college. This loan has low rates

capped at 8.25%. The interest is paid by the government while you are in school at least half time and during the grace period.

The unsubsidized Federal Stafford Loan is for borrowers of all incomes! Full- or half-time undergraduate (dependent and independent) students who are not eligible for a subsidized Federal Stafford Loan or did not qualify for the maximum amount can receive funds under this program. The low interest rate is capped at 8.25%.

The Federal PLUS Loan helps parents of full- or half-time dependent undergraduate students meet the cost of their child's education. The low interest rate is based on the 91-day T-bill plus 3.10%. The rate adjusts annually and is capped at 9%.

Citibank Graduate Loans now make affordable graduate school financing available to students pursuing advanced degrees at Citibank approved* graduate schools throughout the country. Citibank Graduate Loans include both the Federal Stafford Loans (subsidized and unsubsidized) and our new alternative graduate loans:

MedicalAssist Loan

- Provides medical school financing with exceptionally low interest rates to students pursuing allopathic or osteopathic degrees.

MBAAssist Loan

- Provides affordable graduate school financing to students pursuing MBA degrees.

EngAssist Loan

- Provides affordable graduate school financing to students pursuing engineering degrees (at least part time).

NursingAssist Loan

- Provides affordable graduate school financing to students pursuing master's degrees in nursing (at least part time).

GradAssist Loan

- For students pursuing all other types of advanced degrees (including architecture).

What are you waiting for? Return this reply card today. Or for even faster service, call **1-800-692-8200**, and ask for **Operator 190**. Call today, and we'll get an application out to you the next business day!

CITIBANK 

* Approved graduate schools must have a federal default ratio less than 15%. Federal Direct Student Loan (FDSL) Program schools will be assessed on the most recent default rate.

The University of Illinois

at Urbana-Champaign

Welcome To U of I DIRECT Registration, Spring 1996

When you use your Network ID and password to access U of I DIRECT from personal computers at multiple locations on campus (or via dial-up with modem), you will be welcomed to U of I DIRECT registration, followed by a request to verify your local address and the Main Menu of Options. You then select an option by pressing the appropriate key(s) on the keyboard.

The registration checklist and a schedule planning form, included in the *Timetable*, will help you develop your schedule before you log onto U of I DIRECT.

You are assigned a Registration Time (RT) based on the number of hours/units completed or in progress, according to campus policy. Through U of I DIRECT you can:

- register and add/drop classes
- update your address and telephone information
- provide information on appointment/graduation status
- obtain a copy of your class schedule

Some classes are listed in the *Timetable* as "authorization only." Contact the department for approval before using the U of I DIRECT system to register in one of these classes.

The U of I DIRECT system will control for registration time; class size, academic program, maximum credit, advising hold (if applicable), and encumbrances. If an advising hold has been placed on your record, it must be removed before you can register. You should resolve all encumbrances as soon as possible. If you have an encumbrance on your record, access to U of I DIRECT to register or to drop or add classes will be blocked approximately three weeks prior to the first day of instruction. **If you have an encumbrance on your record as of 5:00 PM the first day of instruction, your course registration for the term will be cancelled.** You can avoid having your course registration cancelled by resolving encumbrances.

Finally, the U of I DIRECT Assistance Center will be available from 8:30 AM until 4:45 PM, Monday through Friday in B-3 Coble Hall (enter north side of Coble). If you need information or assistance using U of I DIRECT, call 333-6565.

Students considering enrollment in military science, naval science, or air force aerospace studies courses should be aware that University policy prohibits discrimination on the basis of sexual orientation; students may enroll in these courses regardless of sexual orientation. As of the date of printing of this publication, students seeking to enroll in ROTC are not asked to disclose their sexual orientation. However, homosexual conduct is grounds for disenrollment from the program.

Student Responsibility

- You are responsible for knowing and adhering to the policies, deadlines, and procedures in the *Timetable*. Careful reading of the various sections of this booklet will help you avoid enrollment problems.
- U of I DIRECT is the UIUC system to register for courses by computer. When you do so, you agree to pay tuition and fees to the University according to the payment policies and schedules adopted by the Board of Trustees. If you wish to cancel your registration, and thus avoid payment of tuition and fees charges, you must do so by 5:00 PM of the first day of instruction.
- Unauthorized use of University of Illinois computer systems, data, or resources; unauthorized use of another individual's identification, account, or password; or an attempt to gain unauthorized access is prohibited by University policy and may constitute a violation of Illinois state law.
- As an enrolled student, you are responsible for knowing and complying with the regulations of the University, your college, and the departments offering the courses you are taking, and for fulfilling the requirements for your particular degree. You may obtain the regulations of your college at the college office.

You are expected to conduct yourself at all times in accordance with accepted principles of responsible citizenship and with due regard for the rights of others.

You are advised to obtain a copy of the *Code on Campus Affairs and Handbook of Policies and Regulations Applying to All Students*. That publication is available for inspection at college and departmental offices and libraries, at the Illini Union Information Desk, the Student Organizational Complex in the Illini Union, in the lobby of the Turner Student Services Building, and at Window 25, 100 Henry Administration Building.

The Office of Publications/Office of Public Affairs at the University of Illinois at Urbana-Champaign contracted for the publication of the *Timetable*. 95.090

Introduction to the Timetable

The *Timetable* is the listing of course offerings for the term, and includes instructions on when, where, and how to register and drop and add classes; tuition and fees, and billing information; academic calendar information; how to get a replacement ID card; etc. Therefore, please keep it for future reference. Updated information on course offerings is also available by checking timetable course section information on the World Wide Web, from college and departmental advisers, and in postings during the Early Registration Period at the Illini Union information desk, the Undergraduate Library CCSO site, and the Main Library Reference Desk.

While every effort is made to provide accurate and up-to-date information, the University reserves the right to change without notice statements in the *Timetable* concerning rules, policies, procedures, tuition, fees, curricula, courses, or other matters. All course registrations are accepted subject to enrollment conditions set by the offering departments. In addition, colleges and departments reserve the right to:

- impose enrollment requirements and prerequisites,
- reassign students to other sections in a course,
- withdraw students from certain courses or sections after enrollment,
- cancel course offerings or sections for legitimate educational reasons.

Registration Procedures

1. Registration Time - Invitation to Register

All eligible continuing and re-entry students are assigned a Registration Time (RT), according to priorities established by campus policy. The RT is the first time a student can access U of I DIRECT registration for the term. You will be informed of your RT in your Invitation to Register from the Office of the Registrar, mailed to your local address approximately two weeks before the start of the Registration Period. Within each priority grouping, RTs are assigned in intervals first by the number of hours earned plus the number of hours (if any) in progress. Further assignment, as necessary, is done randomly by student identification number.

By registering as early as possible, you enhance the possibility of getting the courses and sections you prefer. Thus, you should register as close to your RT as possible.

2. Eligibility to Register

In general, students currently enrolled in UIUC degree programs can register early for the 1996 spring semester. You may **not** register early if you are:

- A part-time nondegree student
- A student graduating in January 1996, unless you have been admitted to a UIUC graduate, professional, or second baccalaureate degree for spring semester 1996
- A student newly admitted to a UIUC degree program. Information about your initial registration procedures will be included in your Notice of Admission

3. Advising Hold

Academic advising is recommended for all students and is required in most programs. You are encouraged to meet with your adviser to discuss your plan of study before using U of I DIRECT to register. An advising hold may be placed on your record if you are in a college/department in which advising is a mandatory prerequisite to registration. In such cases you must complete an advising session before your college/department will clear you to enroll using U of I DIRECT. For additional information on the advising hold, please contact your college office.

4. Encumbrances

Academic and administrative offices may place encumbrances on your record for academic reasons, funds owed to the University, judicial reasons, and for failure to meet medical/immunization requirements. If you have an encumbrance(s) on your record, resolve it with the appropriate campus office as soon as possible. You will be informed of any encumbrance(s) on your Invitation to

Register, your Official Class Schedule, and each time you access U of I DIRECT. An encumbrance will not prohibit you from participating in registration until your Official Class Schedule is mailed to you approximately three weeks prior to the beginning of the term.

After the Official Class Schedule is mailed, however, all encumbered students will be blocked from access to the U of I DIRECT registration sequence. Students will be alerted to the presence of any encumbrance(s) on the Official Class Schedule and directed to the appropriate office(s) to resolve them. **Failure to resolve the encumbrance(s) prior to 5:00 PM of the first day of instruction will result in cancellation of your course registration for the term.**

5. Enrollment Requirements and Prerequisites

Many courses carry prerequisites and other enrollment requirements such as "consent of instructor," "enrollment limited to majors," "seniors only," "honor students," etc. These requirements are listed with each course and many are computer controlled. You are expected to comply with these prerequisites and enrollment requirements. Failure to do so may result in your being removed from the course. Should you have questions regarding these requirements, please contact the teaching department.

6. "Authorization Only" Courses

Some courses require departmental authorization prior to registration. If you are interested in an "authorization only" course listed in the *Timetable* you should consult the teaching department prior to your Registration Time. If you meet the enrollment requirements for the course, the department will authorize you online to enroll in the course. You, in turn, must register for the course using U of I DIRECT.

7. Maximum/Minimum Enrollment Levels

The maximum amount of credit in which a student can enroll without special overload approval from his/her college office is:

Fall and Spring Terms

Undergraduates	18 hours
Graduate, Vet Med, Medicine	5 units (20 hours)
Law	16 hours

Summer Term 1

Undergraduates	4 hours
Graduate, Vet Med, Medicine	1 1/2 units (6 hours)
Law	6 hours

Summer Term 2

Undergraduates	9 hours
Graduate, Vet Med, Medicine	3 units (12 hours)
Law	6 hours

Should you wish to enroll above the established maximum, consult your college office.

U of I DIRECT will display a warning message if you are not enrolled in a full course load for the term. Enrollment below the minimum may jeopardize your status with regard to financial aid, athletic eligibility, academic awards, and your visa if you are an international student. Full-time enrollment for undergraduate students is 12 or more hours, for graduate students, 3 or more units.

8. Credit-No Credit

The credit-no credit grading option is designed to encourage students to explore areas of academic interest that they might otherwise avoid for fear of poor grades. All students considering this option are cautioned that many graduate and professional schools consider applicants whose transcripts bear a significant number of nongrade symbols less favorably than applicants whose transcripts contain none or very few. Likewise, in computing a preadmission grade-point average, some schools may convert the NC symbol to a failing grade because they do not know whether the actual grade was a D or E.

Credit-no credit courses are not counted toward the grade-point average, but are included as part of the total credit hours and are assessed as credit hours.

Instructors are not informed of those students in their classes who are taking work under the credit-no credit option and they report the usual letter grades at the end of the course. These grades are automatically converted to CR or NC. Grades of C or better are required to earn credit.

The credit-no credit option is not available on U of I DIRECT. Should you wish to elect this option, please consult your college office.

9. Policy on Intercollege Transfer

An intercollege transfer applicant is one who is currently registered in an undergraduate college at UIUC and who wishes to be considered for admission to another undergraduate college at UIUC. Intercollege transfer applicants are considered on the basis of the intercollege admission requirements of the new college and

availability of space in the chosen programs. This policy does not apply to the Graduate College or a professional college.

The campus has designated two periods each term for intercollege transfer. They are:

- Two weeks prior to the beginning of the Registration Period for each term. Curriculum changes will not be allowed after registration begins.
- One week prior to the start of instruction for the term and through the first week of instruction.

If you intend to apply for intercollege transfer, you should do so within these designated time frames. Your access to certain courses is dependent upon your college of enrollment.

10. Student Health Insurance

The University's Board of Trustees requires that all students be covered by a health insurance plan, either the University's Student Health Insurance Plan or a plan determined by the University to be an equivalent plan. Requests for exemption from the health insurance fee, purchase of dependent coverage, etc., are limited to specific time periods at the beginning of each semester. See "Student Health Insurance Plan" for deadline dates and instructions.

How to Use the World Wide Web *Timetable*

The *Timetable* is also on the campus network (UIUCnet), via a service called the "World Wide Web" (WWW).

The WWW version allows convenient browsing of the *Timetable* with the following advantages:

- The most up-to-date course information: It is updated every night from U of I DIRECT data. Updates include call numbers for pending sections that are now being offered. (See "Pending Sections" on page 27 for more information.)
- Cross-referenced information: Every course is linked to more complete course descriptions found in the online *Courses* catalog.
- Helpful information: Supplemental information is available, e.g., links to a campus map showing class location.
- You can search it via an easy-to-use index.

The WWW *Timetable* can be viewed on the network by using a browser program on a PC, Mac, or Unix system. Some common browsers are NCSA Mosaic, Netscape, or Lynx. If you are familiar with using a WWW browser (i.e., if this computer jargon hasn't bewildered you), you may view the *Timetable* using the following URL (the "address" of the *Timetable* on the WWW):

http://www.uiuc.edu/admin_manual/Courses/time.top.html

A document explaining in greater detail how to view the WWW *Timetable* may be obtained at most CCSO locations, including computer sites across campus and the CCSO Resource Center (1420 DCL, 244-1258). Ask for "Using the WWW *Timetable* on the Campus Network." Consultants in the Resource Center can also help you learn about WWW browsers.

The WWW browsers are available on all CCSO site computers, so you may view the WWW *Timetable* at any CCSO site.

U OF I DIRECT Network ID and Password

To access U of I DIRECT, you will use your Network ID and password. All UIUC students are assigned a Network ID and password when they are admitted to the University.

As with any computerized system, security of the data is a primary concern. In order to maintain the security of your student records and class schedule, it is imperative that you protect your Network ID and password. NEVER tell anyone your password. NEVER let someone use your Network ID and password. The importance of your password is much like that of a bank card PIN — ALWAYS protect the privacy and security of your password. You are encouraged to change your password periodically to maintain the security of your Network ID.

You may change your password using a computer at any CCSO site. Staff at these locations can assist you. A document entitled, "Changing Your Network ID and password" is also available at these sites. It describes the procedure you use to change your password. Additionally, if you forget your password, go to one of the following four places to have it reset so you can resume using your Network ID.

- English Building—Rm 8, English Building
- Undergrad Library—Northeast corner, upper level
- CCSO Resource Center—1420 DCL
- U of I DIRECT Assistance Center, B-3 Coble Hall
(8:30 AM to 4:45 PM, Monday through Friday)

The CCSO sites (the first three listed above) will provide this password reset service from 8:30 AM to 5:00 PM, Monday through Friday, at the beginning of each semester and through the early registration period.

Throughout the year, staff at the CCSO Resource Center can assist students, faculty, and staff in resetting their password. This service is available from 8:30 AM to 5:00 PM, Monday through Friday.

If you have questions or concerns about your Network ID and password, contact the CCSO Resource Center (1420 DCL, 244-1258).

✓ U of I DIRECT Registration Checklist

✓ Have Your U of I DIRECT Registration Materials

To register for courses using U of I DIRECT you need:

- U of I DIRECT Schedule Planning Form (located in the back of this *Timetable*)
- Your Network ID and password
- Your Registration Time (RT) from your Invitation to Register

If you did not receive your Invitation to Register, contact the U of I DIRECT Assistance Center, B-3 Coble Hall, 333-6565.

✓ Meet with Your Adviser to Plan Your Program of Courses (and Alternative Course Selections) for the Term

- Before your Registration Time (RT), meet with your adviser to discuss your program of study for the term.
- Discuss with your adviser alternative course selections in case your first choice offerings are full/unavailable to you.
- Complete the Schedule Planning Form as a guide.

✓ Prepare for Restrictions that May Be Placed by Departments

- **Consent Instructor/Authorization Required:**
If you plan to select courses requiring consent of instructor or departmental approval, contact the department offering the course to obtain permission **PRIOR TO** registering via U of I DIRECT.
- **Independent Study (Conference) Courses:**
Individual study courses require the instructor's permission/authorization before registering. If you select an independent study course, obtain permission from the instructor **PRIOR TO** registering via U of I DIRECT.
- **Courses with Prerequisites:**
Many courses have prerequisites. The prerequisites are intended to help you succeed in the course. You are expected to comply with them. You may be removed from a course for failure to comply with the prerequisites.
- **Courses with Restrictions:**
Some courses have restrictions which limit registration to students meeting certain criteria, e.g., college, curricula, year in school, honors, or placement test scores. Many restrictions are computer controlled. You may be removed from a course if you do not meet the course criteria. Consult the department offering the course if exceptions to these restrictions are required.

Approval to register in permission/authorization-only courses is entered into the U of I DIRECT system online by the department offering the course. You, in turn, must register for the course using U of I DIRECT.

✓ Clear Advising Hold and Encumbrances

- If you have an advising hold and/or an encumbrance(s) on your record, that information will appear on your Invitation to Register and on the U of I DIRECT system.
- The advising hold must be cleared online by your college or department before you can register using U of I DIRECT.
- An encumbrance should be resolved as soon as possible, but will not block your access to U of I DIRECT registration until after your Official Class Schedule has been mailed to you, approximately three weeks prior to the first day of instruction for the term. **If you have an encumbrance on your record as of 5:00 PM on the first day of instruction, your course registration for the term will be cancelled.**

✓ Use a Computer on Campus (or via Modem) to Register

- With the foregoing steps completed, use your Schedule Planning Form (located in the back of the *Timetable*) as a guide to register in courses via U of I DIRECT. There are multiple points of access to U of I DIRECT conveniently located on campus. Many of these locations are listed in the *Timetable*. Dial-up access via modem is also available.

✓ Register for a Complete Schedule

- You are advised to register for a complete schedule of courses for the term as soon as possible following your Registration Time (RT).
- Although additional seats may become available in a few courses, and additional sections may be added to some courses prior to the start of the term, you should not delay completing your schedule on the assumption that seats will eventually become available in courses which have closed.
- Complete a workable course schedule early, even if every course is not your first choice.

✓ Verify Your Addresses

- Make certain that your local, home, and emergency addresses are correct so that you don't miss any important information from the University.

✓ Graduate Students: Check Your Appointment

- If you are a graduate student, be sure to check your appointment percentage to guarantee that it is correct.

Part-Time, Late, and Visitor Registration

Part-Time Nondegree Registration

If you are a part-time nondegree student, you may register between Wednesday, Jan 17, and (noon) Friday, Jan 26. To register, follow instructions for late registration. Part-time nondegree students who register on these dates will not be charged the late registration fine.

Late Registration

- Conducted via **U of I DIRECT** from Friday, Jan 12, until (noon) Friday, Jan 26. To complete late registration during this time period, follow the prior instructions in the *Timetable* beginning at "U of I DIRECT Registration Checklist."
- Beginning Monday, Jan 29, after you have met with your adviser and secured any required course approvals and clearances, bring your completed Schedule Planning Form to Window 25, 100 Henry Administration Building to complete registration.

There is a Penalty for Registering Late. You will be assessed a late registration fine of \$15 (amount subject to change) unless you are registering as a visitor.

Registration of Visitors

A visitor is only a listener in a class and may not participate in any class activities. Visitors are not permitted in laboratory, military, kinesiology (other than theory), or studio classes. Students on "dropped" status are not eligible to attend classes as visitors.

To register as a visitor, written approval is required on an official Visitor's Permit available either at Window 25, 100 Henry Administration Building, or at your college office. After obtaining the form, proceed according to one of the following conditions:

- If you are a currently enrolled student: Obtain permission from the instructor of the class and the approval of the dean of your college.
- If you are a former student not currently registered: Obtain the approval from the instructor of the class and the dean of the college in which you were last registered.
- If you have not been previously registered at the University: Obtain the approval from the instructor of the class and the dean of the college in which the course is offered.
- If you are a staff employee of the University: In addition to obtaining other required approvals, you must secure the recommendation of the head of the department or unit in which you work.

After obtaining all required approvals on the Visitor's Permit form, bring the form to Window 25, 100 Henry Administration Building, to complete registration and pay the applicable fee.

Related Services—Registration Service Center

A Registration Service Center will be open in the Illini Union South Lounge, on the following dates:

Jan 8 - Jan 25 8:30 AM - 4:30 PM
Jan 26 8:30 AM - Noon

The center will be closed on weekends and on Monday, Jan 15. Personnel will be available at the Service Center to answer questions and provide assistance for:

- Health insurance exemption/dependent coverage
- New or replacement ID cards
- Vehicle registration information
- Financial aid questions (available from Jan 16)
- Residency status questions
- Tuition and fee assessment and appointment waivers

They can also give you the Registration Statement of Charges and Aid if you did not provide a mailing address (available from Jan 16).

Registration Charges, Payments, and Refunds

Waivers and Exemptions

If you receive a waiver, you are assessed the amount of the charge but the amount is waived by University policy. Because you were assessed the charge, you are eligible to receive the benefits of the service provided by that charge.

If you are exempt from a particular charge, that charge is not assessed and therefore you are not eligible to receive the benefits of the services provided by the charge. If you have an exemption from any charge because you are registered in Credit Ranges III or IV, you may obtain the benefits of the service provided by making individual arrangements. (See "Fees and How They Are Determined.")

Tuition and fee waivers are not granted for the Executive MBA or other full-cost programs. Detailed information on tuition and fee waivers and exemptions is presented at the back of this *Timetable*.

If you believe that you qualify for any of these waivers or exemptions, consult the staff at Window 25, 100 Henry Administration Building.

Tuition and Fee Assessments

Tuition rates are determined by the University Board of Trustees. Assessment is based on your college and curriculum of enrollment, class, your residency classification, and your credit range.

College of Enrollment

Your tuition rate is based in part on whether you are an undergraduate, graduate, or professional student. All students enrolled in engineering, chemical and life sciences, and art, music, and architecture, and the master's of business administration, curriculum are assessed a tuition surcharge.

Because the Professional Veterinary Medicine Program requires a full course of study each term, students in that curriculum are assessed a single tuition rate for each of the four years of the program.

Students enrolled in the nursing and medical sciences programs on the Urbana-Champaign campus are assessed tuition at Chicago campus rates. Fees are assessed at UIUC campus rates.

Information about tuition rates for students in flight training, study-abroad, Executive MBA, and other special-cost programs may be obtained at Window 25, 100 Henry Administration Building, or by calling (217) 333-0210.

Residence Classification

Another factor in determining your tuition rate is your residence classification (resident or nonresident of Illinois as defined and determined according to regulations approved by the University Board of Trustees). Your classification is based on information you provide on your admission application and other credentials.

To request a change in your residency classification, obtain a petition at either the Registration Service Center (Illini Union, South Lounge) or Window 25, 100 Henry Administration Building. You must submit the petition within twenty days of either the first day of instruction or the day you register, whichever is later. Tuition and Fees Billings and Payments

Important Dates

Jan 26, Noon	Payment deadline if registered by Jan 19
Jan 29, 4:00 PM	Payment deadline if registered between Jan 22 and Jan 26
Jan 29 and thereafter	Payment deadline is 4:00 PM on day of registration

Billings and payments for all registration charges, plus charges for University-operated housing, occur after classes begin. Billing is done on a Registration Statement of Charges and Aid which itemizes all registration charges, financial aid administered by the University, financial aid from external agencies (ISSC, VA, etc.), and any cash aid for which you are eligible. The statement also contains the date by which either full payment or the first payment on the installment plan (if approved) must be made. The availability of statements and the payment deadline dates are determined by when you register.

If you clear all encumbrances and have classes on your record by the end of the first day of Instruction (Jan 11), your Registration Statement of Charges and Aid will be mailed to your local address around (Jan 17). Payment will be due by noon, Jan 26. If your statement does not arrive by Jan 22, go to the Registration Service Center and request a duplicate. IT IS YOUR RESPONSIBILITY AND OBLIGATION TO OBTAIN A STATEMENT AND TO PAY YOUR REGISTRATION CHARGES BY THE DUE DATE WHETHER OR NOT YOU RECEIVED A STATEMENT AT YOUR LOCAL ADDRESS. You may make payment either by U.S. mail, in registration drop boxes, or in person at a cashier's window in 100 Henry Administration Building.

If you late register between Jan 12 and Jan 19, you must pick up your statement at the Registration Service Center in the Illini Union beginning Monday, Jan 22. Payment will be due at noon, Friday, Jan 26. You may make payment either by U.S. mail, in registration drop boxes, or in person at 100 Henry Administration Building.

If you register between Mon, Jan 22, and noon, Friday, Jan 26, you must pick up your statement in Rm 124, Henry Administration Building on Monday, Jan 29, and make payment at a cashier's window in 100 Henry Administration Building by 4:00 PM on that same day.

If you register Monday, Jan 29, or any day thereafter, you must make payment by 4:00 PM on the day of registration at a cashier's window in 100 Henry Administration Building.

Payment Instructions

- Use the special registration drop boxes to return your payment. Do not use campus mailboxes.
- Allow five days for delivery if you remit by U.S. mail.
- Do not send cash either through the mail or via the drop boxes.
- If you must pay in cash pay at a cashier's window in 100 Henry Administration Building.
- **Where Can I Make Payment?** If your payment deadline is noon, Friday, Jan 26, you may use either U.S. mail or registration drop boxes (not campus mail boxes) to return your statement along with a check or money order in the correct amount. If you must pay in cash, go to a cashier's window in 100 Henry Administration Building.

Special registration drop boxes for payment of registration charges will be available until noon, Friday, Jan 26, at the following locations:

- Florida Avenue Residence Halls (Trelease Hall)
 - Gregory Drive Snack Bar (south entrance)
 - Henry Administration Building (east and west entrances)
 - Main Library (central corridor)
 - Illini Union (southwest entrance)
- **Can I Pay by Installment?** An installment plan for paying tuition and fees and single-student residence hall charges is available to students enrolled on campus. This privilege is not extended to registration in extramural, correspondence, and summer Term 1 courses, or to students to whom the privilege has been denied.

Charges for the semester are collected in three installments; the first payable by the due date shown on the original statement, and the remaining installments payable in October and November.

A one-time finance charge of 1 percent of the total amount deferred, or \$2 (amount subject to change), whichever is greater, is made against accounts being paid under the installment plan. An installment payment of charges becomes delinquent on the first day of the month following the date payment was due. Students with delinquent accounts exceeding the dollar limitation may be denied charging privileges.

If you either pay your registration charges on the installment plan or make no payment at all and then later either withdraw from the University or reduce your registration to a lower credit range after the established refund deadline date for the semester, you are liable for the full amount of tuition and fees assessed.

- **What If I Don't Make Payment by the Due Date?** The due date for payment either in full or by installment is printed on your statement. If you do not make full or first-installment payment by the scheduled due date shown on the statement, you will be assessed a \$25 (amount subject to change) registration late payment charge that will be billed to your student account.

A delinquent service charge of 1.5 percent or \$2 (amount subject to change), whichever is greater, is added per month to delinquent student accounts. At any point in the semester, a student who has a delinquent account exceeding the dollar limitation may be denied charging privileges. The delinquent service charge is applied to all items charged to the student account and for which payment is delinquent.

If you are in debt to the University at the end of any term, you may not be permitted to register in the University again. You are not entitled to receive either a diploma or an official transcript of your credits until you have either paid the indebtedness or made suitable arrangements for payment, unless you either have a bankruptcy petition that seeks a discharge of all such indebtedness or all such indebtedness has been discharged.

- **Special Warnings about Payments.** A penalty of \$15 (amount subject to change) is assessed for each check you present to the University that is returned to the Office of Student Accounts and Cashiers because of insufficient funds or for other reasons. Check cashing privileges may be suspended when more than one check is returned to the University. In most cases, the person who endorses a two-party check is the one liable for any penalties charged if that check is returned.

Additional penalties, INCLUDING DISMISSAL FROM THE UNIVERSITY, may be imposed on students who permit their University accounts to become delinquent or who issue checks that are returned to the University unpaid.

Student Health Insurance Plan

The University provides and administers a health insurance plan which is mandatory for those students who have not provided proof of other equivalent health insurance coverage. The fee for the plan is assessed along with other tuition and fees; coverage is worldwide and extends, including breaks, from the first day of the semester or summer session to the first day of the following semester or summer session. The insurance plan is independent of McKinley Health Service and benefits are not contingent upon McKinley Health Service referrals. Benefits are detailed in the Student Health Insurance Plan booklet which is available at the Student Insurance Office at 807 S. Wright, Suite 480, Champaign, IL 61820; (217) 333-0165. See below for information and instructions regarding fee exemption, dependent coverage, etc.

All of the following student insurance related activities **MUST BE HANDLED IN PERSON** by the student or his/her representative. The student's University Student ID Card is required. Requests for changes mailed to the Student Insurance Office or included with tuition and fee payments made by mail will be returned without action and could result in missing the deadline.

- Must be applied for during change period identified above.
- Dependent coverage becomes effective on the later of the date of application and receipt of premium or the beginning date of the semester for which coverage is being purchased.
- Dependents insured the prior semester will have no lapse in coverage provided the application and premium are received by the last date above.
- Dependents acquired (marriage, birth, entry into U.S.) after the above enrollment period may be added to coverage provided application is made and premium paid within 31 days of the eligibility date (date of marriage, birth, or entry into U.S.). Coverage Extensions beyond Last Semester Enrolled and Insured

- Insurance coverage ends on the beginning date of the next semester/summer session, however, it can be extended for the next school period. For example, if you were a student and insured for spring and will not be a student in the summer, coverage will not continue through the summer unless you elect to purchase a summer extension.
- Extensions for spring semester may be purchased beginning December 1, 1995, at the Student Insurance Office or at the Registration Service Center, Illini Union, from January 8 through noon, January 26, 1996; for summer, April 15, 1996, through June 18, 1996.

Exemption from Health Insurance Fee

- Petitions for exemption must be completed in person during the enrollment change period identified above.
- Proof of other insurance must be provided; acceptable proof can be your insurance identification card or a copy of the policy, plan booklet, or notice on company letterhead from the employer or company certifying your coverage.
- An exemption will automatically continue until reinstatement to the plan is requested (see "Reinstatement" below) or you do

not respond to a periodic request to confirm that you continue to be covered by another health insurance plan.

Reinstatement Conditions

- Apply within 31 days of loss of other insurance; coverage is guaranteed and will be effective the date of application or other coverage termination, whichever is later. Proof of other coverage termination is required.
- Apply more than 31 days after loss of other insurance by providing evidence of good health. If approved, coverage is effective the date of application and will be subject to a pre-existing condition limitation for the first 120 days of coverage.
- A full semester premium is required regardless of effective date.

Canceling Your Registration

Before the end of the first day of instruction, you may cancel your registration and be relieved of all tuition and fee charges. You may cancel your registration in one of the following ways:

- By using **U** or **I DIRECT**.
- By submitting a request for cancellation of registration to the Office of Admissions and Records. The request must be received no later than 5:00 PM on the first day of instruction of the term you wish to cancel.
- By mailing a request to the Office of Admissions and Records, 10 Henry Administration Building, 506 South Wright Street, Urbana, IL 61801.
- In person requests should be made at Window 25, 100 Henry Administration Building, by 4:00 PM on the first day of instruction of the term you wish to cancel.

You may cancel your registration provided you have neither attended any classes nor received any related student services. If you cancel your registration and do not plan to return for a future term, you must also cancel any future courses for which you have registered.

If you either attend a class or use campus services and then wish to leave the University, you must officially withdraw.

Withdrawal from the University

To withdraw, you must follow established withdrawal procedures beginning with completion of a clearance form available from the office of the dean of your college or graduate department.

To obtain a partial refund of spring semester registration charges, you must deposit a completed withdrawal clearance form at the Registration Services Office, Window 25, 100 Henry Administration Building, no later than 4:00 PM, Friday, March 29, 1996. No refund is available thereafter. In cases of extenuating circumstances, such as medically documented illness or injury, an exception to the refund period may be made by the director of admissions and records, acting on a petition submitted by a student. Petition forms are available at Window 25, 100 Henry Administration Building.

If you officially withdraw within the refund period, you will receive a pro-rata refund based upon the date on the withdrawal clearance form.

Clearance form received by 4:00 PM on:	Percent of assessed tuition and refundable fees refunded
January 11, 1996	100 percent
January 19, 1996	90 percent
January 26, 1996	80 percent
February 16, 1996	70 percent
March 1, 1996	60 percent
March 8, 1996	50 percent
March 29, 1996	40 percent

Assessed tuition, the Service Fee, the General Fee, and the Transportation Fee are refunded on a pro-rata basis less 5 percent of the assessed amount or one hundred dollars (\$100), whichever is less. The Health Insurance and Health Services Fees are nonrefundable.

If you withdraw, you continue to be covered by health insurance and are eligible to receive health services (if you paid these fees) until the first day of instruction for the next term. Before a refund is made to you, the University must make a refund to appropriate financial aid programs providing assistance to you. If you are indebted to the University at the time of withdrawal, you will have the amount owed deducted from the amount of any refund available.

If you are permitted to pay tuition and fees on the installment plan, or if you make no payment at all, and then withdraw from the University, you are liable for the full amount of tuition and fees originally assessed less applicable refunds.

Special refund policies apply to those who withdraw to enter either active duty in the armed forces or other approved national defense service.

Refunds

Reduction of Program Range

In all cases, a student who is enrolled in only one course and who wishes to discontinue enrollment must withdraw from the University by completing the withdrawal process by the stated deadline.

For complete information concerning record release and student access rights, refer to Rules 58 through 66 in the August 1995 *Code on Campus Affairs and Handbook of Policies and Regulations Applying to All Students*.

The University has designated certain categories of information as directory information. Students' consent to release this information is implied. A currently enrolled student may instruct the University to withhold one or both categories of directory information by submitting a request form to the Office of Admissions and Records prior to the end of the fifth day of instruction for a term. Forms may be obtained and filed at Window 25, 100 Henry Administration Building.

"There is no information available for any student by that name."

Identification Cards

Each student is issued a permanent photo identification card which must be retained by the student while registered at the University. The ID card remains the property of the University, and any student who alters or intentionally mutilates a University ID card, who uses the ID of another, or who allows his or her ID card to be used by another may be subject to discipline. A charge of \$20 (amount subject to change) is assessed for replacing each lost, mutilated, confiscated, or stolen photo ID card.

You are required to present your ID card for identification purposes at the request of an agent of the University when the agent is acting in the performance of his or her supervisory or security function (e.g., examination proctor, police officer, residence hall director or adviser, gymnasium supervisor, ticket taker, or usher). You may be subject to discipline if you refuse to provide your University ID card when requested by an agent of the University.

When performing his or her duties, an agent of the University may confiscate your ID card if an individual other than yourself attempts to use the card to represent him/herself as a duly registered student, or if the ID card you present is not valid at the time you attempt to represent yourself as a duly registered student.

You have the option to use your ID card as a University charge card, so it is important that you keep it secure. If you cannot find your ID card, go to the Campus ID Center immediately and complete a Lost/Stolen Property Report. Until then, you may be liable for unauthorized use of your ID card. That liability is limited to \$50.00 and ends once you have completed the report.

Questions regarding the issuance of ID cards may be directed to the Campus ID Center, Room 204, Illini Union Bookstore, 809 South Wright Street, or call 244-0135.

Compliance with State Immunization Law

Each admitted applicant entering the University after July 1, 1989, is subject to the requirements of Illinois Public Act 85-1315, which requires students to provide evidence of immunity to certain vaccine-preventable diseases. All students subject to the provisions of this law have received a copy of the McKinley Health Center Student Health Report form with their Notice of Admission. Students who fail to return the form by the date shown are encumbered for the next term. Students who fail to comply with state law before the start of the next term are prohibited by law from enrolling in that or any subsequent term.

Semester Hour Requirements

Undergraduate students are required to pursue a normal program of study, which varies by college and curriculum. More or less than a normal program may be permitted only by authority of the dean of the college or his/her designated representative.

For undergraduate, graduate, and professional students, the minimum program required in a semester for receipt of maximum educational benefit payments under the Veterans Readjustment Benefits Act of 1966 and receipt of social security benefits as a dependent is 12 semester hours or 3 units.

Classification of Students

The Registrar's Office uses only the following definitions in the classification of enrollment:

Full-time Students:	Undergraduates	Graduate Students
Fall and Spring Semesters	12 or more hours	3 or more units
Half-time Students:		
Fall and Spring Semesters	6 to 11.5 hours	1.5 to 2.75 units
Class Level:		
Freshmen	0 to 29.9 hours	
Sophomores	30 to 59.9 hours

Graduate students on a consecutive summer-session-only pattern are advanced one year after completion of three eight-week summer sessions. A graduate student may not be certified as having advanced one year more than once within a twelve-month period.

Transcripts of Courses and Grades

A student in debt to the University is not entitled to receive a diploma or an official statement or transcript of credits until the indebtedness has been paid or suitable arrangements for payment have been made, unless the student has pending a bankruptcy petition seeking a discharge of all such indebtedness, or such indebtedness has been discharged.

A student who graduates or withdraws from the University and has an outstanding loan from the University of Illinois will not be issued a transcript until he/she has completed an exit interview with the Office of Student Accounts and Cashiers, 162 Henry Administration Building.

The charge for an official transcript is \$5 per copy (amount subject to change). The charge for a written certification of enrollment or other data is \$4 per copy. The charge for additional copies ordered at the same time and sent to the same address or picked up is \$2 per copy.

Transcripts may not be ordered by telephone. They must be ordered on the computers, 100 Henry Administration Building, or by mail addressed to the Transcript Department, University of Illinois at Urbana-Champaign, 10 Henry Administration Building, 506 South Wright Street, Urbana, IL 61801. First-Year Discovery Courses

In the First-Year Discovery Program, entry-level undergraduates can choose from a variety of small, faculty-taught courses that provide an opportunity to interact with faculty and other students from the start. Discovery sections are offered in many formats and disciplines, but all have in common the goal of helping first-year students in the transition to the intellectual community of the campus. All discovery sections are small, with enrollments limited to twenty students or fewer; all are faculty-taught and interactive.

Below you will find an *Incomplete* list of discovery sections to be offered in spring 1996. These courses are also listed in the body of the *Time-table*, where you can find the complete information needed to register for the courses, including the call numbers as well as the lecture/lab/discussion section times and locations, and any enrollment restrictions. Descriptions of the courses and the faculty who will teach them can be found in the *Discovery Booklet* distributed to incoming students in October 1995.

The Discovery Program gives priority registration to first-year students.

For a complete list of Discovery Courses, see the separate *Discovery Booklet*, available October 1995.

Campuswide General Education Courses

The following courses are approved for campuswide general education credit. They are listed by category and, for the distribution requirements, by subcategory. Not all of these courses are offered in the spring semester; please consult the departmental listings in the body of the *Timetable* for course schedules.

Although all of the courses on this list are approved on the campus level, not all of the courses in an individual category satisfy specific requirements in individual curricula. Therefore, presence on the campus list does not guarantee that a course will satisfy the requirements of a specific college or curriculum. Students in teacher education programs must consult the Council on Teacher Education General Education Course List when selecting their courses to meet general education requirements. All other students should consult their advisers about selecting the general education courses which best fit their programs of study.

Courses Listings

The following *Timetable* of courses offered by the University is subject to whatever changes may prove necessary at registration time. Notices of all changes in time or place of meeting of classes will be supplied to advisers for checking program request materials during registration.

Arrangement

The arrangement of subjects in this *Timetable* is alphabetical. The courses offered in each subject are listed numerically with headings to indicate the students for whom they are designed. Courses for undergraduates (designed for freshmen and sophomores) are numbered 100 to 199; for advanced undergraduates (designed for juniors and seniors), 200 to 299; for advanced undergraduates and graduates (junior, senior, or graduate standing required), 300 to 399; for graduates, 400 and above. Following the title of each course is a statement of the requirements, if any, for admission to the course.

Class Periods

Class periods for each course are indicated by numerals for the hours of the day and by letters for the days of the week. For example, 8-10 MTWTh+ indicates that class periods begin at 8:00 AM and continue for approximately two hours on Monday, Tuesday, Wednesday, and Thursday; 11 - 1230 TT+ means that class periods begin at 11:00 AM and continue for ninety minutes on Tuesday and Thursday. Any class beginning after 6:00 PM is indicated by the letters PM. For example, - 730-930PM+ indicates that the class period begins at 7:30 PM and continues until approximately 9:30 PM.

Class Locations

The place of meeting of each class is shown by the number of the room and the name of the building. A listing of the building abbreviations may be found in this *Timetable*.

Credit

Credit for undergraduate students is counted in semester hours. A semester hour is one class period a week for one semester or the equivalent in laboratory work, fieldwork, or approved independent study. The number of hours for which each course counts is shown under the course.

Credit for graduate students is counted in units. A 1-unit course requires ten hours each week throughout a semester, irrespective of the distribution of that time in class work, laboratory work or fieldwork, and private study. Four such courses or their equivalent constitute a student's normal program for one semester. The unit value of each graduate course is indicated under the course. No course may be taken for graduate credit unless it is so designated in this *Timetable* or its supplement. In general, 1 graduate unit is the equivalent of 4 semester hours of undergraduate credit.

Some courses have variable credit, such as 3 to 5 hours or 0 to 2 units; in registering for a course with variable credit, each student indicates the number of hours or units for which he or she intends to take the course on the Program Request Form.

A course may not be taken for zero credit unless such credit is specifically authorized in the *Timetable*.

Approval of the Graduate College must be obtained for the registration of undergraduate students in 400-level courses for semester hour or unit credit. Courses are current as of September 29, 1995.

Pending Sections

Pending sections are sections shown in the *Timetable*, but not yet open for students to register in. They are identified by the letters "PEND" in the space where the call number normally appears.

Departments may open pending sections later, if they have the staff to teach them and enough students enrolled. Once a pending section is opened, its call number appears both as an alternate selection on the registration screen, and in the timetable listed in the World Wide Web.

You cannot enroll in a pending section until it is opened by the department. If you have questions about the possibility of a pending section being opened, please contact the department offering the course.

4:00 PM or later 4:00 PM or later	Monday Tuesday	7:00-10:00 PM, Wednesday, May 8 7:00-10:00 PM, Friday, May 3

The final examination for a course is scheduled according to the full or half hour on Monday or Tuesday on which the class first meets regularly during the semester. For example, if a course meets regularly at 10:00 AM on MWF, the examination must be given from 8:00 to 11:00 AM on Friday, May 3. The final examination for a course meeting regularly on TuTh from 2:30 to 4:00 PM must be given from 1:30 to 4:30 PM on Monday, May 6.

In a course having a combination of lecture and discussion and/or laboratory periods, the first *lecture* hour of the week is considered the first contact of the week for purposes of determining examination time. Call 333-1231 with questions concerning this.

For a course not provided for in the examination schedule (i.e., one that meets for the first time on Wednesday or later), an examination is to be given within the established examination schedule at the discretion of the instructor and at a time to avoid conflicts. A conflict examination must be given if necessary. The instructor must call the departmental office to schedule the room for the examination.

Any College of Education course at the 300- or 400-level that meets once a week must have a final examination on the same day and at the same time that the class regularly meets. The Office of Facility Planning and Management will make room assignments for such courses.

Spring Semester 1996 Noncombined Final Examination Schedule

MAY 3 THROUGH MAY 10, 1996¹

This schedule does not apply to courses in the Colleges of Law and Veterinary Medicine, which publish separate schedules.

A combined-sections final examination schedule (for giving examinations to several sections of a course at the same time) appears late in the semester in the *Daily Illini*. Detailed information governing final examinations is contained in *Instructions for Giving Final Examinations*, issued in April by the Office of Admis-

sions and Records and available for inspection at all departmental offices and libraries.

Illinois law requires the University to reasonably accommodate its students' religious beliefs, observances, and practices in regard to admissions, class attendance, and the scheduling of examinations and work requirements. All regulations governing final examinations will be applied in the context that an individual student's religious beliefs, observances, and practices will be reasonably accommodated if the student informs his or her instructor of the conflict within one week after being informed of the final examination schedule. Any student may appeal in writing an instructor's adverse decision to a request based on religious beliefs, observances, and practices; such appeal must be made to the dean of the student's college or to the director or dean of the student's school or institute (if such school or institute is organized as a separate unit). Before taking action, the dean or director should request that the instructor explain his or her denial in writing.

¹An examination for a first-half-session course should be scheduled at the end of the first-half-session period. If such an examination is not scheduled in the regular classroom at the time the class usually meets, a special examination room must be reserved through the Office of Facility Planning and Management, 333-1231.

Requirement

A final examination must be given during the scheduled final examination period for each course except in a course that has a character that renders a final examination unnecessary or impracticable. The head or chairperson of the academic department in which the course is offered determines when a final examination is not required.

Time of Examination

An instructor must give a final examination at the time specified in the published schedule unless a change is approved in advance through the Office of the Vice-Chancellor for Academic Affairs. A request for change must be submitted through the executive officer of the department or school (if applicable) in which the course is offered and the dean of the appropriate college. **Requests for examination changes should be made only in cases of legitimate need and not just for the convenience of students and instructors.**

A request for change in the examination schedule will not be considered for approval unless the instructor

- has polled the class to determine that an alternative date is desired by a majority of the class members, and
- also offers the examination at the regularly scheduled time if some choose not to take it at the alternate time, and
- has contacted the Office of Facility Planning and Management (333-1231) and has assurance that space is available in which to give the examination at an alternate time if approved. The Office of Facility Planning and Management will not confirm space availability for early examinations until the twelfth week of the semester.

No semester final examination should be given during a "regular" class period unless this is deemed necessary by virtue of the course or the examination (e.g., a laboratory "practical" examination as one part of a final examination).

NOTE:

Undergraduate Students: Except as provided for a request based on religious beliefs, observances, and practices, only the dean of a student's college may approve temporary postponement of the final examination in an individual case of an undergraduate student.

Graduate Students: A student's instructor is authorized to approve a request for postponement of the final examination in an individual case of a graduate student.

Place of Examination

An examination will be held in the room where the course meets for the first lecture contact hour of the week, except in the case of a combined-sections examination, an examination for a course in which the instructor has requested additional space for the final examination, or a specifically scheduled examination. Instructors are to announce any special or changed room assignments.

Take-Home Examination

If a take-home final examination is assigned, it is to be submitted by the student at the time and date of the regularly scheduled final examination. An instructor who wishes to depart from this practice, must follow the procedure for changing the final examination schedule as stated elsewhere in this section.

Length of Examination

The maximum limit for an undergraduate final examination shall be three hours, except by special arrangement in individual cases approved by the dean of the appropriate college. At the discretion of the department, a shorter examination may be given.

Conflicts

- Certain professional examinations (e.g., national actuarial, state CPA, and the Architect Registration Examination) take priority over campus final examinations. An instructor must offer a "conflict" examination to a student scheduled to take one of these examinations and a campus final examination at the same time.
- Noncombined examinations have precedence over combined-sections and conflict examinations.
- Combined-sections examinations have precedence over conflict examinations.
- As between courses offered at the same time on the combined-sections final examination schedule, a priority system has been established, with courses in Group (1) having precedence over those in Group (2), and so forth. Conflicts within groups must be resolved by the departments involved.
- A conflict not resolved by the above order of preference must be resolved by the instructor of the course having the larger enrollment offering a makeup examination, provided he or she is informed of the conflict by the student no later than the last official day of instruction in the semester (May 1).
- Departments offering combined-sections examinations must provide conflict examinations if needed.

A detailed combined-sections and conflict final examination schedule, including all regulations governing conflicts, will be published by the Office of Admissions and Records late in the semester.

Students Having More than Two Consecutive Final Examinations

No student is required to take more than two consecutive semester final examinations. This means that if you take final examinations at 8:00 AM and 1:30 PM on the same day, you cannot be required to take another final examination that same day; however, you are required to take an examination scheduled for 8:00 AM the following day.

Similarly, if you have a final examination at 7:00 PM one day and another at 8:00 AM the next day, you cannot be required to take an examination at 1:30 PM that second day; you can, however, be required to take an examination at 7:00 PM of that second day.

If you have more than two consecutive final examinations scheduled, you are entitled to rescheduling, provided you take the following actions *no later than the last official day of instruction in the semester (May 1)*:

- You must investigate whether a conflict examination is being held at another time for any of the examinations involved. (Instructional staff members are urged to announce any conflict final examinations by the last day of classes.)
- If a conflict examination has been scheduled for any of the courses, you must take one or more of these conflict examinations.
- If no conflict examinations have been scheduled, you should contact the instructor of the course having the largest number of students. That instructor **MUST** provide a makeup examination. Remember, you must initiate contact with the instructor involved no later than the last day of classes.

Discipline for Violations of Academic Integrity

Procedures to be followed in cases of alleged cheating on final examinations may be found in the *Code on Campus Affairs and Handbook of Policies and Regulations Applying to All Students*.

Tuition and Fee Waivers and Exemptions

If you believe that you qualify for any of these waivers or exemptions, consult the staff at the Registration Services Office, Window 25, 100 Henry Administration Building.

For the purpose of this section, the four employment categories at this campus are defined as follows:

Faculty members include (1) those in the professorial ranks (i.e., professor, associate professor, assistant professor); (2) instructors and lecturers; and (3) teaching, research, and clinical associates. Various prefixes may be used in conjunction with these ranks, such as adjunct, clinical, visiting, or research.

Academic professionals are those employees whose positions have been designated by the president and the chancellor as meeting specialized administrative, professional, or technical needs. Academic professional employees receive an academic contract issued by the Board of Trustees for a term appointment. They are accorded the rights and privileges pertaining to other academic personnel except those that apply specifically to academic employees with faculty rank, such as eligibility for tenure.

Graduate student assistants include teaching, research, and clinical assistants.

Staff employees are those members of the University work force subject to the rules of the State Universities Civil Service System.

Tuition Waivers

Tuition will be waived if you are:

1. a faculty or academic professional employee (not a graduate assistant) of the University on appointment for at least 25 percent of full-time service, provided your appointment requires service for not less than three-fourths of a term. This waiver also applies if you are an employee of a certain specifically identified related agency whose position is considered equivalent to an academic position of the University. (A term is defined as running from the first day of instruction through the last day of final examinations. *Three-fourths of a term* is defined as ninety-one days during a semester and forty one days during summer Term 2.) NOTE: A student who resigns an appointment, or whose appointment is canceled before service is rendered for at least three-fourths of the term, becomes subject to the full amount of the appropriate tuition and fees for that term unless the student withdraws from University classes at the same time or before the appointment becomes void, or the student clears for graduation within one week following the resignation.
2. a graduate teaching or research assistant of the University on appointment for at least 25 percent but not more than 67 percent of full-time service. Your appointment must require service for not less than three-fourths of the term as defined above. If you are on appointment for 68 percent or more of full-time service, you pay tuition at the resident rate and are eligible for waiver of the service fee only. (Caution: Assistantship appointments are cumulative: for example, if you hold a 25-percent and a 50-percent assistantship appointment, you are ineligible for a tuition waiver.) NOTE: A student who resigns an appointment, or whose appointment is canceled before service is rendered for at least three-fourths of the term, becomes subject to the full amount of the appropriate tuition and fees for that term unless the student withdraws from University classes at the same time or before the appointment becomes void, or the student files a clearance form for graduation within one week following the resignation date.
3. a staff employee of the University, or of another institution or agency under the University Civil Service System, or of a certain specifically identified related agency in status appointment or in an appointment designed to qualify for status in an established class (e.g., trainee or intern) for at least 50 percent of full-time service, or a retiree and who registers in regular University courses not to exceed 11 credit hours or two courses in a semester or quarter if on full-time appointment, or 5 credit hours if on a 50-percent to 99-percent time appointment provided that you (1) meet conditions and eligibility for admission as prescribed by the Office of Admissions and Records; (2) are not a student as defined under 250.70f3 in the *Civil Service Handbook*; and (3) have the approval of your employing department for enrollment and a makeup schedule to cover any time in course attendance during your regular work schedule. (Staff employees whose total registration is in a higher range than that authorized by their tuition waiver pay only the difference between the waiver authorization and the higher range in which their total registration places them.) NOTE: A student who resigns an appointment, or whose appointment is canceled before service is rendered for at least three-fourths of the term, becomes

subject to the full amount of the appropriate tuition and fees for that term unless the student withdraws from University classes at the same time or before the appointment becomes void, or the student files a clearance form for graduation within one week following the resignation date.

4. a University of Illinois faculty, academic professional, or staff retiree.
 5. a holder of a tuition waiver scholarship.
 6. a holder of a graduate tuition and fee waiver awarded by the Graduate College.
 7. a foreign exchange student with a tuition waiver as part of the exchange contract
 8. a holder of a grant or contract from an outside sponsor that provides payments to cover the total cost of instruction.
 9. a cooperating teacher or administrator who receives assignment of practice teachers, or who receives assignment of students meeting the clinical experience requirement in teaching education curricula, or who cooperates in research projects related to teacher education. Waiver for one semester, quarter, or summer session is granted for each semester, quarter, or equivalent of service you render within two consecutive semesters. The waiver shall apply to the semester, quarter, or summer session of registration, as designated by you, that is concurrent with, or following, the term of service, but must be applied no later than one calendar year from the end of the term of service. Concurrent registration on more than one campus of the University or in University extramural courses constitutes one semester, quarter, or session of eligibility for a waiver.
- A similar waiver is authorized for cooperating librarians, school-nurse teachers, social welfare field supervisors, recreation field supervisors, health education field supervisors, speech pathology supervisors, developmental child care field supervisors, educational psychology supervisors, continuing education supervisors, industrial relations field supervisors, and physicians who participate without salary in the instructional program of the University of Illinois College of Medicine at Urbana-Champaign. (Caution: Acceptance of more than one assignment from any of the above listed offices during any single term will generate only one waiver.)
10. an Illinois Teacher of the Year award recipient.
 11. a CIC Visiting Scholar.
 12. a University of Illinois at Chicago student in concurrent enrollment.
 13. an eligible Illinois senior citizen. (Persons wanting information and/or the application form for this waiver should contact the Office of Student Financial Aid, 400 Turner Student Services Building, 610 East John Street, Champaign, IL 61820, (217) 333-0100.)

Partial Tuition Waiver Program for Children of Eligible Employees

If certain eligibility criteria are met, Illinois Public Act 87-0793 (SB 1353) provides a 50 percent tuition waiver for undergraduate education for children of University employees to attend either University campus. Rules applicable to these waivers are summarized as follows.

1. The waiver can be used only for undergraduate education (excluding extramural and correspondence courses).
2. The waiver shall cover 50 percent of tuition, not fees.
3. The waiver may be used for four years (including summers), as long as satisfactory academic progress toward graduation is maintained.
4. The parent must be a current University of Illinois employee at 50 percent time or more with at least seven years of service on the first day of instruction of the term for which the waiver is requested, and be one whose appointment qualifies for employer-provided benefits. Excluded as "parent" are annuitants, employees of University-related organizations (i.e., Foundation and Alumni Association), Civil Service temporary and extra help, graduate and undergraduate assistants, and academic hourly and student employees.
5. The child must be under 25 years of age at the beginning of the academic year and the child of the eligible employee by blood or adoption, or the child of the employee's current spouse, or a child under the court-appointed guardianship of the eligible employee.
6. The child must qualify for admission under the same requirements, standards, and policies applicable to general applications.
7. To apply for the waiver, the employee or child must obtain an eligibility form available at one of the following offices:
Office of Student Financial Aid, 400 Turner Student Services Building, 610 East John Street, Champaign
Benefits Center, 807 South Wright Street, Fourth Floor, Champaign
Personnel Services Office, 52 East Gregory Drive, Champaign

Waiver of Nonresident Portion of Tuition

If you are subject to payment of tuition, the nonresident portion of tuition will be waived if you are:

1. an employee on appointment for at least 25 percent of full-time service with the University or with a certain specifically identified related agency, provided the appointment requires services for not less than three-fourths of the term.
2. a faculty member of a state-supported institution of higher education in Illinois holding an appointment of at least one-fourth time, provided the appointment requires service for not less than three-fourths of the term.
3. a teaching and professional staff member in the private and public elementary and secondary schools in Illinois, such as a counselor, a school psychologist, a school social worker, a librarian, or an administrator, who holds such an appointment for at least one-quarter time and for not less than three-fourths of the term.
4. the spouse or dependent child of an employee on appointment with the University or a certain specifically identified related agency for at least 25 percent of full-time service, or of a person described in the second item above. (A dependent child is one who qualifies as a dependent for federal income tax purposes.)
5. the spouse or dependent child of a fellow or a trainee who is employed as a teaching assistant to the fullest extent permitted by the fellowship appointments.
6. a person actively serving in one of the armed forces of the United States who is stationed and present in the state of Illinois in connection with that service and your spouse and any dependent children, as long as you remain stationed, present, and living in this state.

CITIBANK

WE'RE LOOKING OUT FOR YOU.™

WE'RE LOOKING OUT FOR YOU MORE WAYS THAN ANY OTHER CARD.

No other credit card protects college students in as many ways as the Citibank card. That's why, hands down, it's the most popular credit card among college students. With your Citibank card, you can:

PAY NO ANNUAL FEE. You might just need that money for school-emblazoned hats and sweatshirts.

RELAX WITH A LOW INTEREST RATE. Since you're a college student, you'll get a special 14.9% APR for the first six months if you apply before January 31, 1996.¹

ESCAPE FOR A FEW WEEKENDS. As a cardmember, you'll get two savings certificates for discount travel on American Airlines®, each good for a long weekend somewhere other than school.²

BE PROTECTED BY YOUR FACE. The Photocard option puts your photo and signature permanently on the front of your card, giving you added security if your card's ever stolen.

GET INSTANT CASH. In emergencies, you can use your Citibank card to get cash at over 170,000 ATMs and over 220,000 financial institutions worldwide.

WRITE YOUR OWN TICKET. There's *no cosigner or minimum income required for students*. In fact, all you need is a photocopy of your current validated student ID.

To apply for a Citibank MasterCard®, simply fill out and mail the attached application. Then relax. Because the credit card company that looks out for more students than any other will be looking out for you, too.

¹After the introductory period, you will be charged a variable rate of the U.S. Prime Rate + 9.4%, which was 18.4% as of 6/1/95. See gnd below for details.

We encourage you to understand some important information about the Citibank card.

FOLD HERE

Annual Percentage Rate	14.9% introductory rate; then a variable rate, which is 18.4% as of July 1, 1995.
Variable Rate Information	You'll receive an introductory rate of 14.9% for six months from the date your application is approved. Thereafter, the annual percentage rate may vary each calendar quarter. We will calculate the variable rate by adding 9.4% to the U.S. Prime Rate published in <i>The Wall Street Journal</i> on the third Tuesday of March, June, September and December of each year. Because the annual percentage rate is variable, the current rate may be in effect when your card is issued. If a cardmember fails to keep all their Citibank accounts in good standing, we may immediately increase the rate on the entire balance by adding 12.9% (rather than charging the introductory rate or Prime Rate plus 9.4%) to the Prime Rate. This higher rate will not be lower than 19.9%.
Annual Fee	None
Grace Period for Payment of the Balance for Purchases	20-25 days
Minimum Finance Charge	50¢
Method of Computing the Balance for Purchases	Average Daily Balance (including new purchases)
Transaction Fee for Cash Advances	At an Automated Teller Machine, financial institution, and by check: 2% of amount of advance, but not less than \$2 or more than \$10.
Late Payment Fee	\$15
Over-the-Credit-Limit Fee	\$15

Restrictions: travel must commence on a Saturday with return travel on the following Monday or Tuesday; requires a 1-day advance purchase; applies to travel within the contiguous 48 states; no stopovers and travel must commence and end at same location; no travel on 11/27/95, 12/23/95 - 1/2/96; all travel must be completed by 11/26/95; non-refundable.

It's One Of The Most Useful Credit Cards On The Planet. *Unless You've Stolen It.*

Your MasterCard® is stolen. You panic, get angry,

panic some more. Then you call and cancel it. Now the thief is in possession of, oh, about seven cents worth of stolen plastic.

(Maybe he can use it as a coaster when he entertains at the hideout.) So relax. You only have to pay for stuff *you* bought, and you can even get a new card the next day.*

It'll be accepted at millions of places, one of which must sell wallets.

MasterCard. It's more than a credit card. It's smart money.™
